

Welcome Back to School!

Dear Student and Family,

I hope that this letter finds you enjoying your summer. For those of you who I have not had the pleasure of meeting, my name is Dani DiSabato and I am thrilled to be your child's teacher this year! I grew up in the Victor community and I am very eager to begin my fourth year teaching at Victor Schools! I graduated from the State University of New York at Geneseo, where I earned my Bachelors of Science in Education and certifications in Childhood and Special Education. I am currently working towards my Masters of Science in Education and will soon hold a certification in Reading and Literacy.

This summer I have been busy planning for a fantastic school year! I have also spent my time teaching, traveling, and enjoying time with my family and friends. I am looking forward to hearing about your summer adventures in September! This year your child will grow as a learner, create wonderful memories, and make new friends. I cannot wait to begin learning with each other, while having so much fun along the way! If you have any questions, please don't hesitate to reach out to me. The best way to contact me is through my email, which is disabatod2@victorschools.org. I look forward to working with you and your child this year!

Take care,
Miss DiSabato
