

534 School Meals Policy

I. PURPOSE

The purpose of this policy is to ensure that students receive healthy and nutritious meals through the school district's nutrition program and that school district employees, families, and students have a shared understanding of expectations regarding meal charges. The policy of the school district is to provide meals to students in a respectful manner and to maintain the dignity of students by prohibiting lunch shaming or otherwise ostracizing the student. The policy seeks to allow students to receive the nutrition they need to stay focused during the school day and minimize identification of students with insufficient funds to pay for a la carte items or second meals as well as to maintain the financial integrity of the school nutrition program.

II. PAYMENT OF MEALS

- A. Fridley Public Schools utilizes student meal accounts and it is the parents or guardian's responsibility to keep adequate funds in the accounts for all la carte items or second meals. Parents or guardians can add money online via Infinite Campus Parent Portal. At the Elementary Schools, cash or check can be turned in to the student's teacher or at the school's main office. At the Middle School, cash or check can be turned in to the main office. At the High School, cash or check can be turned in to the Nutritional Services Department in the district office.
- B. A school that participates in the United States Department of Agriculture National School Lunch program and has an Identified Student Percentage at or above the federal percentage determined for all meals to be reimbursed at the free rate must participate in the federal Community Eligibility Provision in order to participate in the free school meals program.
- C. Each school that participates in the free school meals program must:
 - (1) participate in the United States Department of Agriculture School Breakfast Program and the United States Department of Agriculture National School Lunch Program; and
 - (2) provide to all students at no cost up to two federally reimbursable meals per school day, with a maximum of one free breakfast and one free lunch.
- D. Once a meal has been placed on a student's tray or otherwise served to a student, the meal may not be subsequently withdrawn from the student by the cashier or other school official, whether or not the student has an outstanding meals balance.

A World-Class Community of Learners

Fridley Public Schools is committed to creating a welcoming, respectful environment that provides an equitable and inclusive education for each student, staff and community member by ensuring that opportunities, access, and resources are aligned to support the growth and academic achievement of each student.

- E. When a student has a negative account balance, the student will not be allowed to charge an ala carte or snack item.
- F. If a parent or guardian chooses to send in one payment that is to be divided between sibling accounts, the parent or guardian must specify how the funds are to be distributed to the students' accounts. Funds may not be transferred between sibling accounts unless written permission is received from the parent or guardian.

III. LOW OR NEGATIVE ACCOUNT BALANCES – NOTIFICATION

- A. The school district will make reasonable efforts to notify families when meal account balances are low or fall below zero.
- B. Families will be notified of negative balance once the negative balance reaches \$6.00. Families will be notified by automated Campus Messenger emails and phone calls. The phone calls and emails are sent out weekly.
- C. Reminders for payment of outstanding student meal balances will not demean or stigmatize any student participating in the school lunch program, including, but not limited to, dumping meals, withdrawing a meal that has been served, announcing or listing students' names publicly, providing alternative meals not specifically related to dietary needs; providing non reimbursable meals; or affixing stickers, stamps, or pins.

IV. UNPAID MEAL CHARGES

- A. The school district will make reasonable efforts to communicate with families to resolve the matter of unpaid charges. Where appropriate, families may be encouraged to apply for free or reduced-price meals for their children.
- B. The school district will make reasonable efforts to collect unpaid meal charges classified as delinquent debt. Unpaid meal charges are designated as delinquent debt when payment is overdue, the debt is considered collectable, and efforts are being made to collect it.
- C. Negative balances of more than \$10.00, not paid prior to the end of the school year will be turned over to the superintendent or superintendent's designee for collection. The Nutritional Services Department may contact school administrators and Deans to assist in collecting unpaid meal balances. In some instances, the school district does use a collection agency to collect unpaid school meal debts after reasonable efforts first have been made by the school district to collect the debt. Collection options may include, but are not limited to, use of

- D. The school district may not enlist the assistance of non-school district employees, such as volunteers, to engage in debt collection efforts.
- E. The school district will not impose any other restriction prohibited under Minnesota Statutes section 123B.37 due to unpaid student meal balances.
