Lake Worth ISD Addresses Judge Glen Whitley's Recommendations

Lake Worth, Texas: At the Tarrant County Commissioners court meeting today, Judge Whitley expressed his recommendation that athletic activities be postponed or suspended.

Lake Worth ISD has just received this information and we are evaluating our procedures. A decision to suspend athletic events has not been made at this time. It is important to note, however, that our athletes are screened daily before entering our athletics complex.

“I am very confident in our leadership’s adherence to consistently and thoroughly applying our health and safety protocols” said Dr. Rose Mary Neshyba, Superintendent of Schools.

Lake Worth ISD has done a great job of following health and safety protocols, and for the continued health of our students and staff, we encourage the community to do the same.

Lake Worth Independent School District proudly serves over 3,300 students in the Dallas/Fort Worth Metroplex.
