Dear LWISD Parents/ Staff,

This morning, at approximately 7:40-8 AM, Route 9 was making a bus stop at the corner of Woodlake Dr. and Rocky Pointe Dr. The bus was stopped and the loading lights were activated when a distracted woman in a Nissan Pathfinder rolled into the rear of the bus.

There were 3 students on the bus at the time of the incident. Thankfully everyone on the bus, including students and staff, was unharmed and the bus received only minor damage. Local Lake Worth police were on-site to ensure the continued safety of students and staff following the event. Normal bus routes will resume as scheduled.

Please be assured that we will do everything we can to ensure the safety and well-being of our children. If you have any questions, please feel free to contact us at 817.306.4200.

Sincerely,
