

Lake Worth Independent School District

6805 Telephone Road
Lake Worth, TX 76135
817.306.4200

August 27, 2019

Dear Lake Worth ISD Families:

The Haltom City SWAT team will be conducting training August 28th at the Lake Worth unused DAEP building. The intent of this drill is to assure a predictable response in the event of an actual emergency, identify problems and weaknesses in plans and procedures, and for local police to practice what is expected of them during an emergency.

The purpose of this letter is to inform you that during the course of these drills, students and staff will not be involved and class times will not be affected. Officers will conduct the drill near the Lake Worth ISD Administration building off Telephone Road.

People can expect to see an increased presence of law enforcement officers, but Haltom City SWAT team stressed that this is a drill and training exercise.

It is our goal to support our first responders during these drills in order to assure the safety and security of our district in the event of an actual emergency. As always, our goal is the safety and security of all our students and staff! Thank you for your continued cooperation. Feel free to contact the Central Administration Building if you have any questions or concerns regarding this drill.

Sincerely,

Olivia Mathis

District Communications Coordinator & Webmaster
