

Lake Worth ISD Volunteer Information Sheet

The purpose of the volunteer program is to utilize the talents of individual citizens within our school district to enrich the school program by providing greater educational opportunities and services for our children. To ensure the safety of volunteers, students and staff, a criminal record check is completed on each volunteer applicant. The Lake Worth ISD needs business and professional people, parents, students and retirees as school volunteers. We appreciate you coming forward and accepting this challenge. Please fill out the information below for our records.
