

GAHANNA-JEFFERSON LOCAL SCHOOL DISTRICT STUDENT-ATHLETE TRAVEL RELEASE

The Gahanna-Jefferson Board of Education recognizes the value of interscholastic athletics for students as an integral part of the total school experience. For most district-sponsored sports, transportation is provided for athletes to scheduled competitions and events.

At times, we understand that it may be easier to take your son/daughter to a contest or home with you after a contest during the season rather than sending him/her on the school provided bus. When such travel arrangements are requested by the parent/guardian(s), the District is not responsible for, and does not assume liability for student transportation to and/or from the sites of scheduled competitions and events or to other sites to which the student may travel. It is the sole responsibility of the parent/guardian to evaluate carefully all risks inherent in the transportation described in this Release and to voluntarily assume full responsibility for, and full risk of any property damage and any mental or physical bodily injury resulting from such transportation.

The release, when signed and returned, will allow the named student-athlete to travel to and/or from activities on the specific date listed below with the parent/guardian listed below. At no time do our coaches have the authority to transport student-athletes in their own vehicles.

This release must be completed 24 hours in advance when possible.
