

# WORK BASED LEARNING (WBL)

**Work Based Learning:** Proactive approach to bridge the gap between high school and High-demand, high-skill career in Tennessee. Students will build on their Career and Technical Education classes using the skills they developed and apply those skills into the workforce.

**School Business:** Students interested in running a business, developing, and marketing products to your peers. This is an opportunity where students will be provided equipment and supplies to develop a plan to sell their products to students. Students will have hands-on opportunities to work in the school and develop products for their peers.

WBL: Career Practicum - Culinary

**Culinary:** Students in the Culinary pathway will have the opportunity to work and perfect the skills they learned in Culinary Arts I & II. Students will be working during the school and on campus.

WBL: Career Practicum - Industry

**Industry:** Students will have the opportunity to partner with an industry and leave campus to work and train with the company giving them a head start in a career and/or experience the industries in Robertson County.
