

Roseville Area Schools
Excellence, Innovation & Equity in All We Do

2023-2024

Back to School Guide

Welcome Back!

Our schools are alive with activity as we prepare for the official start of the 2023-2024 school year! As we look to the fall, I want to express my deep gratitude for our staff members. We are so fortunate to have caring, dedicated, thoughtful professionals throughout Roseville Area Schools – in our classrooms, lunchrooms, hallways, buses, and offices. I am thankful that they – and YOU – continue to Choose Roseville.

Last year we connected with our families, community members, and staff to develop our strategic plan. It was a rigorous development process and the end result is a comprehensive document that will guide our work in educating our students and engaging the support of our families and community members. I am excited to see it “in action” with our students as we live out our new mission statement: Excellence, Innovation & Equity in All We Do!

I also want to say THANK YOU to the members of our school board. I am so appreciative to these dedicated community leaders who commit their time and talent to providing a nurturing and engaging learning environment for our students.

Best wishes to all for a wonderful start to the new school year!

Dr. Jenny Loeck
Superintendent

School Year Calendars

To check out the school year calendar and events & activities planned for your student’s school, visit isd623.org/about-us/district-calendar. You can customize how you view the calendar based upon which schools you want to see.

Our School Board

The Roseville Area Schools School Board supports educational philosophies and procedures that promote a high-quality education for our students. While the board is legally responsible for school programs and operations, it delegates authority for the district’s daily operations to the district superintendent. The board focuses on student

Back row l-r: Kitty Gogins, Mike Boguszewski, Rose Chu. Front row l-r: Todd Anderson, Curtis Johnson, Mannix Clark

outcomes, encourages diverse viewpoints, focuses on strategic leadership, makes collective rather than individual decisions, is future oriented, and governs proactively. The school board has six members elected at large to serve four-year terms. For more information about the school board, visit isd623.org/about-us/school-board/.

Keeping in Touch!

The district, schools, and programs provide a number of opportunities for parents and families to learn about important news and upcoming events. Just a few examples... *The Raider Review* is emailed to all families twice a month on Wednesdays when students are in school. Each school produces an emailed newsletter, which is distributed every Thursday when students are in school. Keep an eye on your mailbox for *The Raider Voice* (formerly the *623 Today*), which is mailed to all resident households and open-enrolled families four times per year. The district’s website at isd623.org is a great source of information and the district also maintains Facebook (@isd623), Instagram (@rosevilleareaschools), and LinkedIn (Roseville Area Schools) social media accounts.

Roseville Area Schools District Map

Mobilizing Our Community to Support Our Schools

The Roseville Area Schools Foundation (RASF) mobilizes our community to support the needs of the students, faculty, and families of Roseville Area Schools through fundraising and engagement.

RASF shares Roseville Area Schools' equity vision of an equitable and respectful learning environment for every student, family, and staff member regardless of race, gender, gender identity, sexual orientation, socioeconomic status, ability, home or first language, religion, national origin, age, or physical appearance.

In the 2023-24 school year, RASF will continue to fund projects geared toward eliminating opportunity gaps, creating social-emotional learning experiences, and supporting college and career readiness, recognizing that learning does not look the same for everyone. We are proud to announce that RASF is funding the expansion of Roseville's nationally recognized AVID program to all elementary schools.

We invite you to join us in this work. Here are three ways you can help:

1. **Donate** at rosevilleareaschoolsfoundation.org/donate
2. **Volunteer.** If you're interested in joining the RASF Board, email us at foundation@isd623.org
3. **Follow us** at facebook.com/RosevilleSchoolsFoundation.

2023-2024 Board Members

- Kezia Reeder, Chair
- Liz Erickson Monson, Vice Chair
- Beth Voermans, Treasurer
- Sara Schwebs, Secretary
- Deb Bahr-Helgen
- Beth Lingren Clark
- Lindsay Fondow
- Aaron Komo
- Dr. Mary Bussman, District Liaison

Foundation

Roseville Early Learning Programs

Roseville Area Schools Early Childhood Programs provide the foundation of lifelong learning and success through educational opportunities for families and children ages birth – kindergarten entrance.

Early Childhood Family Education (ECFE) Classes

Early Childhood Family Education is a program for all families with children, birth to 5 years old. The goal of these classes is to support parents and families in their child-raising role and provide children with opportunities to discover and learn. Weekly classes are held during the day, evenings, and Saturday mornings. Each class provides a parent-child activity and a parent discussion group. Class fees are on a sliding scale and fee waivers are available.

Pre-K

Roseville Area Schools' pre-K classes provide the building blocks for lifelong success for 3-4-year-old children. Children will discover endless possibilities in our all-day, half-day, and bilingual classes. Our stimulating learning environments foster growth socially, emotionally, physically, and intellectually.

Each day's activities include music and movement, sensory exploration, story time, creative arts, dramatic play, literacy and math activities, outdoor play, and circle time. We use an innovative, theme-based curriculum that includes individualized activities to help all children reach goals that lead to school success. Financial assistance, scholarships, and transportation may be available to qualifying families.

Free Early Childhood Screening

The State of Minnesota requires all children, as early as 3 years old but prior to entering kindergarten, to have a quick screening of their development, vision, and hearing. This does not

determine kindergarten readiness, but does help identify children who may benefit from early childhood services. Screening appointments are held throughout the school year. To schedule a free screening for your child, please call 651-487-4378 ext 2 or email ecfe@isd623.org.

Early Childhood Special Education (ECSE)

ECSE provides early intervention services to young children, from birth to kindergarten, who show a delay in these areas:

- Speech and language
- Large and fine motor skills
- Social, emotional and behavior skills
- Cognitive and/or adaptive skills
- Have vision or hearing loss

The process for a child to be considered for ECSE services starts with a referral, which is often made by a child's parents or daycare or healthcare provider. Next, an evaluation is conducted to determine eligibility and to identify specific needs.

If a child qualifies for services, ECSE teachers and specialists work with the child and parents to improve skills in the areas of need.

If you have concerns about your child's development, you can call Help Me Grow at 1-866-693-GROW (4769) or complete an online referral at <https://helpmegrowmn.org>.

Toy Lending Library

Located at the Early Childhood Center at Parkview, the Toy Lending Library is open to all individuals, families, and childcare providers. Membership is free. As a member of the Toy Lending Library, you can check out toys, books, games, parenting resources, and more!

Nutrition Services

Roseville Area Schools Nutrition Services aims to serve the next generation food with integrity to ensure our community is nourished. We look forward to serving your students this school year!

Our Mission Statement:

Our mission is to enhance learning by advancing the quality of meals at school created by knowledgeable, caring staff and to empower students to make life-long healthy choices.

Free Meals Available to All Students

All students will have access to a complete breakfast, lunch and afterschool super snack at no cost. Extra food beyond the meal, like an additional entree, an extra milk, only a milk, or a second

meal, must be purchased with money in your student's account. As in previous years, students will use PINs to account for their meals and purchases. Please practice with your

child before coming to school! There is a practice PIN pad on the Nutrition Services webpage. This will help expedite service lines and maximize seated eating times for meals. If you do not know your student's school ID, please email food@isd623.org or contact the main office at your child's school.

What's in a Meal?

Breakfast consists of an entrée with whole grains, lean protein, fruit, milk, and 100% juice. Students have a choice of at least two options for lunch at each site. Along with the entrée, an "all-you-care-to-eat" fruits and veggie bars, and milk choices are offered. There is always a vegetarian option.

Better Food Initiative

Our district is part of a national movement to elevate the quality of all ingredients served on our menus. In collaboration with school nutrition leaders and the Center of Science in the Public Interest, we follow the Ingredient Guide for Better School Food Purchasing when selecting ingredients or products to place on the menu. We have already started to eliminate ingredients such as artificial colors, flavors, and preservatives. You can learn more at <https://ingredientguide.org/>.

Online Menus

All of our menus are available online and also at LINQConnect.com. With our online menus, you can:

- Find menu pictures and nutritional information
- Filter menu for specific allergens
- Access carbohydrate counts

Menus can also be accessed from tablets or smartphones using the LINQ Connect app.

Special Diets

Did you know we accommodate medically necessary diet requests? A licensed medical professional must complete the Special Diet Form found on our website.

Want to Work With Us?

We are hiring! School nutrition is a rewarding career and we are looking for caring, enthusiastic applicants. Why should you apply with us?

- Nourish students' growth and development
- Become part of the school community
- No nights, weekends, or holidays, paid professional development, and comprehensive benefits for long hour positions
- On the job training

Don't want to commit to a 9-month contract? We're also looking for on-call subs!

Apply at: <https://www.applitrack.com/isd623/onlineapp/>

Get Social

@roseville_sanb_nutrition

Free Meals for All Students

Students will have access to healthy breakfasts and lunches at **NO COST starting in the 2023–2024 school year.**

Families are still strongly encouraged to complete the Application for Educational Benefits each year to support school funding and access additional benefits such as discounted Internet service and reduced transportation and activities fees.

Applications and menus can be found at: <https://linqconnect.com/>

Community Ed

A LIFETIME OF LEARNING IS WAITING FOR YOU!

There's something for everyone with Roseville Community Education! We offer opportunities for learning, professional development, and fun for all ages. Explore the possibilities! Get started today.

YOUTH

- Pre-K: Activities for ages 3-4, such as story time, math, science, and outdoor play
- Early Childhood Screening: A quick developmental check completed at age 3-4, required for Pre-K and kindergarten entry
- Early Childhood Family Education (ECFE): Classes for young children, free toy lending library, and Drop In and Play
- Youth Enrichment: Theme-based classes and activities at our elementary schools year-round
- Aquatics: Swim lessons for ages 5-14, and Tots classes for ages 9 months and older
- Friendship Connection: Before- and after-school care for grades K-8
- Targeted Services: School-year academic help
- Unity Centers: After-school programming for grades 4-8

ADULTS

- Enrichment Classes: Fitness, art, cooking, home and family, technology, performing arts, and more
- Adult Learning Center: Earn your adult diploma, prepare for your GED, learn English, or work towards a new career
- Lounge: Use the computer, play cards, read a book, have coffee or tea, and socialize with others
- Meals on Wheels: A meal delivery service and wellness check for adults in need
- Gift & Craft Shoppe: Crafts, gifts, and décor, handcrafted by members of our community
- Flaming Spoon Café: Get a fresh, nutritious meal, Monday through Friday, 11:00 a.m.-12:15 p.m.
- Early Childhood Family Education (ECFE): Parenting classes, resources, and home visits
- Aquatics: Open and lap swim and adult water exercise classes
- Events: Watch for special events for all ages, like the annual 623 Walk/Run in November

Want to learn more?

Visit isd623.org/CommEd or call 651-604-3500

Environmental Safety

The district takes many steps to ensure the safety of its students. The following summaries provide an update on several key issues.

Pesticides

Roseville Area Schools, in accordance with Minnesota law, is required to inform parents, guardians and staff, if and when, the district applies pesticides on school property. Specifically, this law requires schools that apply pesticides to maintain an estimated schedule of pesticide applications and to make the schedule available to staff for review and/or copying at each school office. The tentative schedule for this school year is:

- **Insects and Rodents:** Quarterly inspection and application if needed. Inspections/applications in September, December, March, and June.
- **Vegetation:** Bi-annual inspection, application of herbicide if needed. Inspections spring and summer. Applications mid-June to mid-August. State law further requires that the district explain to parents and guardians that “the long-term health effects on children from the application of such pesticides, or the class of chemicals to which they belong, may not be fully understood.”

If you would like to be notified before the district applies any pesticide or if you have any questions regarding this notice, please call 651-628-6442.

Asbestos

Mandatory asbestos inspections are conducted in accordance with the Code of Federal Regulations “Asbestos Hazardous Emergency Response Act” (AHERA CFR Part 763) for all schools instructing kindergarten through grade 12.

Our schools are inspected by Institute for Environmental Assessment (IEA), a qualified environmental consulting firm that specializes in asbestos investigation. IEA, along with Roseville Area Schools, has put together a management plan for the asbestos remaining in the schools. The management plan includes analysis of the data, assessment of the existing and potential hazards to building occupants and the selection, prioritizing and scheduling of response actions.

A copy of each management plan is located in the Buildings and Grounds Office at the Roseville Area Schools District Center, 1251 County Road B2 West. The management plans are available for inspection to the public within five working days after receiving a request for inspection.

Indoor Air Quality

Roseville Area Schools, in accordance with Minnesota law, has appointed an indoor air quality coordinator, trained and certified by the Minnesota Department of Education. Annual walk-through and ventilation inspections are performed at all sites, in order to look for and plan corrective measures for any potential indoor air quality concerns. Roseville Area Schools follows the EPA’s “Tools for Schools” as its primary resource.

Also according to state law, the district must notify parents of the role of the district’s indoor air quality coordinator. The coordinator serves as a resource to parents with concerns about indoor air quality, both in and out of the school environment.

Lead in Drinking Water

Every five years, Roseville Area Schools tests its drinking water as required by the Minnesota Department of Health. If results exceed the EPA’s action level for schools, the district will use EPA-approved measures to provide safe drinking water.

Latex-Reduced Environments

Roseville Area Schools is committed to providing learning and work environments that are healthy and safe for all students and staff. To this end, all district schools and instructional support facilities have been designated as latex-reduced environments. The following guidelines are in place at all district schools and instructional support facilities:

- Latex balloons are restricted from Roseville Area Schools for the protection of students and staff who have latex allergies. They contain large amounts of latex residue and, therefore, carry the most danger for allergic reactions.
- Latex products of all kinds have been removed from health offices.
- The district will make every effort to order latex-free products (natural rubber products). In areas such as science classrooms, latex equipment may still be in use because latex free alternatives are unavailable. If a student has a known latex allergy, latex will not be used in that classroom.

We continue to develop awareness of other latex products that are being used in our schools. We either replace them with latex-free alternatives, or if replacements are not available, we focus on reducing the use of these products.

For more information on these programs, please contact the Department of Buildings and Grounds at 651-628-6442.

General Information

E-LEARNING PLAN

The Roseville Area Schools e-learning plan enables the district to call an e-learning day when there is inclement weather that requires the closing of school sites. The district's e-learning plan will be implemented on the second snow or cold day (or other inclement weather) causing students to be out of school. Communication will be sent to all families. All assignments for students in grades 7-12 will be posted to Schoology by 10 a.m. Students in early childhood through grade 6 will be provided with a choice board for their daily assignments. Staff will be available to support students between 10 a.m. and 3 p.m.

STUDENT DIRECTORY INFORMATION

Roseville Area Schools defines directory information as student name, parent/guardian name, grade, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of enrollment, degrees and awards received, most recent educational institution attended by the student, and pictures for district-approved publications, district-approved webpages, district-approved social media, local media and local cablecasts.

The district's policy complies with state and federal laws, which require us to release this information upon request. However, parents/guardians have the right to deny the release of directory information, except to school officials or as provided under federal law. To make directory information private, parents, legal guardians, or students of legal age should complete a Non-Release of Directory Information form. The form is available on the district website (<https://www.isd623.org/services/communications>) or in each school's main office.

CENSUS

The district uses resident information to anticipate future service needs for K-12, preschool, community education, and adult services. The state bases its funding on the number and age of residents, which makes it vital for the district to obtain accurate resident information. When you participate in the school census, you help ensure that your district receives funding for your child. If you have questions about the census or want to add your family to the census, please call Jamie Porter at 651-628-6449.

CRIMINAL BACKGROUND CHECKS

Roseville Area Schools will seek criminal history background checks for all applicants who receive an offer of employment with the school district. The school district will also seek criminal history background checks for all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services or other extracurricular academic coaching services to the school district, regardless of whether compensation is paid. These positions include, but are not limited to, all athletic coaches, extracurricular academic coaches, assistants, and advisors. The school district may elect to seek criminal history background checks for other volunteers, independent contractors, and student employees.

IMMUNIZATIONS

Minnesota law requires students to be immunized against certain diseases or have a signed, legal medical or conscientious exemption kept in the student health record. These requirements apply to all students whether they attend public schools, private schools, or home schools. Appropriate documentation must be provided to the school health office in order for the student to enroll or remain enrolled. If a parent or guardian objects to immunizations for either medical or personal reasons, a notarized statement is needed on the Student Immunization form. The notarized statement specifies the immunization(s) the child will not be receiving. For more information about immunization requirements, how to get vaccinations, or to download the Student Immunization Form, visit <https://www.isd623.org/services/health-services>.

PLEDGE OF ALLEGIANCE

Minnesota law requires all public and charter school students to recite the Pledge of Allegiance at least once a week. However, any student or teacher may elect not to participate, and their choice must be received with respect from others.

Organizations and/or any member of the public can request information about students attending Roseville Area Schools. "Directory information," as it is known, is defined by Roseville Area Schools as the student's name, parent/guardian name, grade, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of enrollment, degrees and awards received, the most recent educational institution attended by the student, and pictures for district-approved publications, district-approved webpages, district-approved social media, local media, and local cablecasts.

The district's policy complies with state and federal laws, which require us to release this information upon request. However, you have the right to deny the release of directory information, except to school officials or as provided under federal law. Please know that if you choose to keep directory information private, names will not be available for any purpose. In such cases, for example, students would not be listed in school programs, yearbooks, publicized honor roll lists, and classroom directories because these documents are considered public domain. Please note the "Opt Out Exemption for Yearbooks" on the form below.

To make directory information private, parents, legal guardians, or students of legal age should complete a Non-Release of Directory Information form and mail it to Central Enrollment at 651-635-1626 by October 1 of the 2023-2024 school year.

If you have any questions, please call Central Enrollment at 651-635-1626.

Non-Release of Student Information to the U.S. Military

By signing this form I am requesting that:

Roseville Area Schools not release student recruiting information for the following student, who is in grade 11, 12, or Roseville postsecondary/transition.

First and Last Name: _____
School: _____
Parent/Guardian or Student of Legal Age Signature: _____
Date: _____

Please note this form is separate from the district's general Student Directory Information "opt out" form, which is available through the district's Central Enrollment office or school offices.

If you have any questions, please call Central Enrollment at 651-635-1626.

Non-Release of Student Information to the U.S. Military

By signing this form I am requesting that:

Roseville Area Schools not release student recruiting information for the following student, who is in grade 11, 12, or Roseville postsecondary/transition.

First and Last Name: _____
School: _____
Parent/Guardian or Student of Legal Age Signature: _____
Date: _____

Please note this form is separate from the district's general Student Directory Information "opt out" form, which is available through the district's Central Enrollment office or school offices.

If you have any questions, please call Central Enrollment at 651-635-1626.

Non-Release of Student Information to the U.S. Military

By signing this form I am requesting that:

Roseville Area Schools not release student recruiting information for the following student, who is in grade 11, 12, or Roseville postsecondary/transition.

First and Last Name: _____
School: _____
Parent/Guardian or Student of Legal Age Signature: _____
Date: _____

our curriculum, testing, and assessment tools posted at www.isd623.org > About > Digital Tools and include an outline of the student data elements within each tool. If you have any questions regarding specific digital tools used in classrooms, please call 651-604-1476.

RIGHT TO KNOW

If a parent or guardian requests it, the school district will provide information regarding the professional qualifications of their child's classroom teachers, including, at a minimum:

- Whether the teacher has met state qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction
- Whether the teacher is teaching under emergency or other provisional licensing status through which state qualification or licensing criteria have been waived
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree
- Whether the student is provided services by paraprofessionals and, if so, their qualifications

In addition, the school district will provide parents/guardians with information as to the level of achievement of their child in each of the state academic assessments. The school district will provide notice to parents if their child has been assigned to, or taught for four or more consecutive weeks by, a teacher who is not highly qualified.

TRANSPORTATION

School transportation is provided for elementary students within attendance areas and for secondary students residing two miles or more from school. The district mails bus information to bus riders in August. Secondary students living less than two miles from school may purchase transportation for their student at a cost of about \$200 per year. Parents wishing to contract for this service may obtain the documents at www.isd623.org > Services > Transportation. Parents/guardians should make sure their child's bus schedule information is correct, including day care information if available. If you have questions or comments, please call 651-635-1638.

DIGITAL TOOLS TO SUPPORT STUDENT LEARNING

Roseville Area Schools uses a variety of digital tools to support student learning. Technology vendors and software is used to support work as we help all students develop the skills necessary to succeed in an ever-changing world. We have an inventory of

SAFETY AND SECURITY

In Roseville we know that each student who walks into our schools is somebody's somebody. It's our job to keep our schools as safe as possible. That is why in the Roseville Area Schools we have the District Safety and Security Team, as well as an Emergency Response Team at each school. The purpose of the District Safety and Security Team is to create safe and secure schools, ensure alignment across our schools and to support site-based school safety.

School Emergency Response Teams meet on a regular basis. Building level teams are responsible for developing and revising building emergency plans and procedures, training staff, conducting required drills, and responding to incidents. In addition to the school Emergency Response Team, we also have the following security measures in place:

- Secured Entryways
- Sign in/Sign out procedures
- Background checks
- School Resource Officers at RAMS and RAHS
- Student Support Teams

Keeping students and staff safe is of utmost importance. The work of the District Safety and Security Team and school Emergency Response Teams will continue for the upcoming school year. If you are interested in being on the District Safety and Security Team, please contact Assistant Superintendent Melissa Sonnek at Melissa.Sonnek@isd623.org.

यो कागजातले रोजभिल एरिया स्कूल डिस्ट्रिक्टको बारेमा महत्त्वपूर्ण जानकारी समावेश गर्दछ। यदि तपाईंलाई यो जानकारीको लागि मद्दत चाहिन्छ भने कृपया इन्दिरा खरेललाई 651-307-0468 मा कल गर्नुहोस्।

School Supply Donations

Roseville Area Schools and Roseville Community Education are honored to support Do Good Roseville, our parent-teacher associations, and numerous local companies and organizations as they collect new school supplies for our students. You are welcome to drop off donated school supplies at the Roseville Area Schools District Center or Roseville Community Education. For more information, visit www.isd623.org or call 651-635-1605.
