

## STUDENT HEALTH

The superintendent will arrange health services for all students. Such services will include but are not limited to:

1. The maintenance of student health records;
2. The development of procedures at each building for the isolation and temporary care of students who become ill during the school day;
3. Consulting services of a licensed healthcare provider and/or Registered Nurse;
4. Vision (both distance and near) and hearing screening; and
5. Immunization records and screening.
