

STUDENT GROUP MEETINGS

Groups of secondary students organized for co-curricular purposes relating to the school curriculum, the school's athletic program or associated student body activities may hold meetings in school facilities at such times and under such conditions as may be approved by the school principal.

Conditions for Use of School Facilities

- A. School functions shall take precedence in all cases.
- B. Subversive organizations as identified by the United States Attorney General are not eligible to use school facilities.
- C. School facilities are not available to social groups of selective, restrictive, or secretive nature.
- D. Rules and regulations covering use of school facilities shall be established and made available to the community. Damage and rental fees covering maintenance and supervisory costs shall be established by the school board. All facilities use fee schedules and regulations will be made available to the public at the Performing Arts Center, pool, district rental supervisor's office, and the superintendent's office.
- E. School equipment shall not be used or taken from school buildings except under provisions established by regulation.
