

School-Owned Vehicles

The district may provide for the necessary transportation and expenses that are incurred in the course of performing services for the district, whether within or outside the district. All such vehicles will be properly marked with letters of contrasting color at least 1-1/4" in height in a conspicuous place on both sides of the vehicle. On the rear of each vehicle shall be a contact phone number, district vehicle identification number, and a phrase similar to "Safety is Our Goal" readable from at least thirty feet. The district may use a distinctive insignia which will be at least six (6) inches in diameter across its narrowest dimension.

Staff members operating district owned vehicles must comply with all state and federal laws including laws relating to the use of telecommunications devices. Unless otherwise specified, all travel must be approved in advance by the staff member's immediate supervisor.

The superintendent is directed to establish procedures for the use of school-owned vehicles. At the beginning of each school year, the superintendent will provide the board with a list of staff members who are assigned a school-owned vehicle on a 24-hour basis. The district will comply with IRS regulations pertaining to the use of district-provided vehicles for personal commuting.
