

## **Dakota Hills Middle School 2023-24 7th Grade School Supply List**

**School Issued iPads:** All 7th graders will be issued an iPad by the school. This will be used as the primary agenda or “planner”. Some students also choose to use stylus pens.

### **System of Organization:**

Having a physical tool like a large accordion file, or a trapper-keeper is important for keeping class materials organized, separated, and easy to locate. Each student is able to choose what works best, but our experience is positive for students who use a file folder system. We suggest the same color folder and notebook for subjects (i.e. red folder and red notebook for math, yellow folder and yellow notebook for science, etc.).
