

MOVING FORWARD TOGETHER ▶▶▶▶

As I start my fourth year as Superintendent, I am filled with a sense of excitement and pride in everything we have accomplished so far. Our commitment to excellence has been unwavering, and as we continue forward, I am confident that our dedication will propel us to even greater heights.

The past three years have been marked with remarkable accomplishments, inspiring growth, and a shared vision of striving for excellence in all we do. Our students have demonstrated their determination and passion in the classroom and beyond. Our educators have worked tirelessly to improve their teaching methods and foster an engaging learning environment. Our support staff and parents have shown remarkable dedication, contributing to the nurturing, educating, and instilling core values in all of our students.

As we enter year four, we stand at a pivotal moment. We have a strong foundation upon which to build, and we must carry our momentum forward with renewed vigor. It is time to set our sights higher, to challenge ourselves to reach new pinnacles of success, and to continue pushing the boundaries of what we can achieve.

Striving for excellence means embracing change and innovation, seeking out opportunities for growth, and embracing challenges as stepping stones toward our goals. It means fostering a culture of continuous improvement, where each member of our community is empowered to contribute their unique talents and ideas. It means supporting one another, celebrating our achievements, and learning from our setbacks.

As your superintendent, I am committed to providing the leadership and guidance necessary to ensure that our journey toward excellence is purposeful and transformative. I am excited to work alongside our dedicated educators, staff, parents, and most importantly, our students, as we set forth on this path of continuous advancement.

Together, we will write the next chapter of our success story. Together, we will create an environment where every student can thrive and engage in educational excellence. Every educator will inspire and every member of our community can contribute to our collective excellence.

Thank you for your unwavering support, and here's to an exceptional fourth year of striving for excellence.

Tony Watts  
Superintendent

The Newport Independent School District will partner with families and the community to nurture, educate, and instill core values in all students to ensure they reach their fullest potential.
