  - 3. For a trainee School Bus Driver without a CDL license, their seniority date will be the date of completion of all requirements.

If two or more individuals have the same date of hire or the same date of completion of the PED pre-service training, the individual achieving the highest combined score on the CDL examination will be senior. If two or more individuals receive the same scores on the examination, the Transportation Coordinator or designee will use a coin flip to determine seniority.

  - 4. The enactment of laws or court decisions that directly affect staffing and are beyond the immediate control of the Board.
- B. If the District anticipates a RIF, the District will notify the Federation in writing at least 30 calendar days prior to the implementation. The notice shall include the reasons for the RIF and the affected program. The Federation and the District shall meet to discuss the RIF. Employees affected will be notified as soon as possible.
- C. If it becomes necessary to reduce the number of employees, the District shall attempt to avoid the RIF by means of attrition and reassignment of employees to vacancies within the District and the non-renewal of contracts for probationary employees.

- D. At the request of the District, a non-probationary employee may voluntarily consent to a reduction in hours of employment or to a lower classification in order to avoid lay off.
- E. Whenever an employee is laid off, the order of layoff shall be determined by seniority. The employee within the job classifications with the least seniority shall be laid off first. Seasonal, temporary, and probationary employees will be laid off before non-probationary employees. If a position is deemed essential to the District and the employee in that position has special abilities and training for that position, then that employee may be exempted from the RIF in that classification. In such a case, the reason for the exception will be provided to the employee and Federation in writing.
- F. The District will maintain a rehire list for one year. The employee with the most seniority within a job classification will be re-hired first. Employees who have been RIF'd will be offered re-employment by seniority before new hires, regardless of previous classification, provided the employee is qualified for that position.
- G. It is the sole responsibility of the employee to keep the District advised of his/her current whereabouts. Any person selected for rehire shall be notified as soon as possible and given written notice by certified mail. An employee must accept the position in writing within ten working days of the mailing of the recall notice or the position shall be forfeited, along with all further rights under this provision.

  - 3. “Voluntary transfer” shall mean a transfer initiated by an employee.
  - 4. “Involuntary transfer” shall mean a transfer initiated by the District.
  - 5. “Interim” shall mean a position temporarily assigned to a current employee. An “interim” employee would have the authority to make decisions necessary for that position, to include compensation if the range is higher than the current position for the interim time frame.

- C. Employees who wish to be considered for vacancies or transfer opportunities which may occur during the summer months may monitor vacancy availability through the use of the website and submit an application according to the terms of the posting.
- D. Vacancy postings shall, at a minimum, contain the specific identification of the vacant position, the work site(s) at which the position exists, the salary range, the position’s major responsibilities, minimum license (or waiver) and skill needed for the position, the name of the person to whom the application should be sent, and the deadline date for submission of applications. “Until filled,” language may be applied to any posting. Position responsibilities shall be prepared in good faith and not with the intention of fitting responsibilities to a specific person.
- E. The District shall fill vacancies on the basis of the most qualified applicant.
  - 1. Current Classified employees requesting a lateral transfer will complete a transfer form to the Human Resources Office within the timeline posted by the LAPS Human Resources Department.

The employee will be considered for an interview for posted open positions provided the employee meets the criteria of the lateral transfer.

2. A minimum of three candidates will be interviewed for the posted vacancy. A re-posting of the vacancy may be made should an acceptable candidate not be identified. If less than three candidates apply, this requirement may be waived.
  3. Temporary employees who are qualified to fill a vacant position will be permitted to apply and receive consideration as an applicant.
  4. Candidate pools of three or more applicants may be interviewed for multiple concurrent vacancies of the same type.
  5. When possible, interview committees will be used for the development of recommendations to fill vacancies.
- F. A member of the bargaining unit who successfully fulfills the performance expectations of a vacant assignment may be permanently reassigned to that vacant position subject to the following conditions:

  3. Recommendation received from the supervising administrator
  4. Reassignments request approved by the Director of Human Resources
- G. Unsuccessful applicants shall be notified as soon as possible, but in no case later than 10 days after notification has been made to the successful candidate.
- H. The administration reserves the right to transfer employees to meet the needs of the District. In the event an involuntary transfer becomes necessary, the following criteria will apply:
1. The District shall first seek voluntary transfers.
  2. Any involuntary transfer that would mean a decrease in salary shall be handled according to the RIF procedure.
  3. An employee will be provided a minimum of ten working days' notice of an impending transfer except in those situations when an immediate transfer is required.
  4. If the involuntarily transferred employee's previous position becomes available, the transferred employee will be given an opportunity to return before the position is posted.
- I. The Federation and the Board recognize that the superintendent may reassign an employee if his/her performance impedes the common goals of the site or District by reason of the employee's inability or unwillingness to work cooperatively. An involuntary transfer effected for administrative reasons will be excluded from the provisions of this section.
- J. **Reclassification:**  
When through an administrative error, an employee is placed at a pay range which is inconsistent with the pay range assigned to a job classification, any subsequent correction of the error shall not result in any salary reduction for the employee. The employee's current salary will be held safe until the salary of the corrected range equals or exceeds the current salary.

Reclassification of a position can occur when significant changes in duties collectively alter the level of complexity of the job components so that the existing classification is no longer appropriate. This determination will only be made in coordination and approval of (all which follow): employee, site supervisor, (Principal/ Director of the Department) and Human Resources.

## **PTO GUIDELINES**

1. Employees wishing to take more than four (4) consecutive days of PTO must make an application in the District's approved timekeeping system five (5) working days in advance of the first day of PTO. Prior approval is required for the use of any amount of PTO.
2. Administrators have five (5) work days from the time the request has been entered into the District's approved timekeeping system to approve or deny the request(s). Any request(s) not denied within the five (5)-work day window will be automatically approved. Any PTO entered after any absence, except for call-in following protocol in Article XIII, Section A, subsection 1; shall be at the administrator's discretion.
3. The supervisor may limit the number of employees in a classification who are on PTO at the same time to meet the needs of the District. In the event such limitations are necessary, the employee who first submitted his or her request to the supervisor will be granted PTO according to the needs of the District.

### **C. Administrator Approval**

All employees must enter requested PTO into the District's approved timekeeping system for approval by their immediate supervisor. The supervisor may limit the number of employees in a classification who are on vacation at the same time in order to meet the needs of the District. In the event such limitations are necessary, the employee who first submitted his or her request to the supervisor will be granted vacation according to the needs of the District.

### **D. Personal Business Leave**

Employees in the bargaining unit who do not receive PTO are eligible for one paid day of personal leave each year, proportionate to their FTE.

### **E. Religious Leave**

Employees may request the use of up to two days of PTO annually during the contracted year to observe religious holidays. If no accumulated PTO is available, the employee may be granted leave without pay.

### **F. Bereavement Leave**

Each employee shall be granted a maximum of five paid leave days per contracted year in the event of a death. These five days shall be deducted from available PTO Bank. If the employee should need more time because of unusual circumstances or in order to attend legal matters, such as a closing of an estate, more time may be requested by the employee. This request will be subject to the approval of the superintendent or appointed designee. All additional time will be deducted from the employee's PTO Bank.

### **G. Judicial Leave**

Employees summoned for a jury duty or subpoenaed to testify as a witness in a court case to which the employee is not a party will be granted leave with pay.

## **G. Military Leave**

Employees who are called to active duty in any branch of the US Armed Forces during their contract year shall be given fifteen days leave with pay per federal fiscal year. All additional days of absence will be leave without pay.

## **H. Leave Without Pay**

Leave without pay for personal reasons may be granted to an employee for up to one year, provided the employee is non-probationary. Assignment to the same position held before the leave was granted shall not be guaranteed. Should a reduction in force become necessary during the contract year, an employee on a leave without pay shall be subject to the same selection criteria as established in the RIF section.

## **I. Paid Holidays for Classified Not on a 260 Calendar**

The following holidays will be paid based on the employees contracted daily hours for the classifications of Instructional Assistant, Bus Drivers, Bus Assistants, Clerks and employees that work on a traditional 188, 189, 200, 211, or 220 calendar: Christmas Eve (observed), Christmas Day (observed) and New Year's Day (observed).

## **J. Los Alamos Public Schools (LAPS) Extended Leave Program**

The District's leave program allows salary and benefits continuation for eligible staff employees who are experiencing medical conditions and have exhausted their leave. The condition may be for the employee or for an immediate family member as defined below.

### **1. Eligibility**

Regular staff employees who work (16) sixteen hours or more per week (.4 FTE or greater) are eligible to elect to participate in the program if they:

- Have completed the number of equivalent working days to the assigned contract year of employment at LAPS;
- Have an illness or injury, or a member of their immediate family has an illness or injury, that meets the definition of a medical condition or require maternity/ paternity leave beyond use of their leave banks (see definition below);
- Have made the required donation annually for that fiscal year (2 full days; 8-hour equivalency, regardless of contract FTE);
- Have exhausted their leave, in all leave banks.
- Have an illness or injury related to Workers' Compensation benefits; and
- Have no written record of disciplinary action for misuse of leave within the past (12) twelve months.

**An immediate family member means an employee's:**

- Spouse or domestic partner
- Children (natural, step, adopted, and foster);
- Parents, Grandparents; or
- Grandchild or siblings, but only if the employee is the primary custodian and caregiver.

Only one district employee may use the extended leave program at a time to provide care to the same immediate family member.

**Conditions for Leave**

- Debilitating illness, impairment, or physical/ mental condition that involves continuing treatment.
- Chronic or long-term condition requiring high-intensity or high frequency treatment; or
- Terminal illness

Intermittent absences due to extended leave conditions are allowed in (4) four or (8) eight-hour increments, such as in connection with chemotherapy, dialysis, or care for an immediate family member.

**Maternity/ Paternity**

- The birth of a child, or placement of a child with you for adoption or foster care, and to bond with the newborn or newly placed child. Only one district employee may access the extended leave program for maternity/ paternity leave at a time.

**Bereavement**

- Should an employee's bereavement extend past (5) five days for the loss of an immediate family member, as defined above, and the employee has exhausted all leave in their banks, the employee can apply for a maximum of an additional (7) seven days through this program.

**Exclusion to the Extended Leave Program**

- Elective surgery
  - Elective surgery is defined as, "surgery the employee chooses to have for a better quality of life but is not a 'medically required surgery'".
- Cosmetic Surgery

**Funding of the Extended Leave Program**

The extended leave program is funded by donations from participating members. Annual donations are made the first month of the employee's contract. If an employee is hired mid-year or off cycle and chooses to join the program the (2) two days is deducted; however, the employee is not vested until their full year anniversary of hire. This does not preclude the employee from having the next two (2) deductions on the next contract issuance. Regardless of full-time equivalency (FTE) the employee is required to donate (2) two full days (8- hour equivalence) annually.

Quarterly donations, as outlined annually by Administration, will be solicited, and can be made by members and non-members alike; however, donations made by non-members DO NOT grant them access to the program. Donations to the program are not refunded and are forfeit if the employee separates from the district for ANY reason.

Prior to the end of the fiscal year, Human Resources will notify all staff working .4 FTE or greater that donations will be automatically drawn to the employees unless the employee completes the extended leave plan opt-out process. If an employee opts-out of the program, then the employee is not eligible for extended leave for the upcoming contract year. Employees that were previously on contract must wait until the next contract issuance to rejoin the program.

Employees can participate if they have donated, as noted above, and meet all eligibility requirements, as outlined. Employees with less than one year of service can donate to the program but are ineligible to apply for program benefits until they have met their one-year (1) anniversary hire date.

**Requesting Extended Leave**

To request benefits, an employee (or individual acting on the employee's behalf) must complete and apply using the Application for Extended Leave and submit this to the Human Resources' Department. Human Resources will in-take the application for initial review and verification. The application must include an estimate of hours extended leave needed, generally not to exceed (3) three months (520) five hundred and twenty hours for full time employees and prorated based on the employees FTE. The district reserves the right to request periodic updates or other medical information as needed.

A committee, from Human Resources (1 Representative), Superintendent's Office (1 Representative), and LAFSE (2 Representatives), will determine the amount of extended leave approved. This committee will inform the employee's immediate supervisor of the employee's request but not the nature of the illness or need.

#### **Maximum Leave Coverage**

- Maximum continuous extended leave will be 1,040 hours (130 days), prorated on the employees FTE. Extended leave will terminate at the maximum hours reached.
- Maximum intermittent extended leave will be 520 hours, prorated based on the employees FTE.
- In no case will the combined use of continuous and intermittent leave exceed 1040 hours (130 days).

#### **Exhausted Extended Leave**

Employees who have exhausted the maximum allowable extended leave will accrue up to an additional 160 hours towards their bank of available extended leave, per year of active service after exhaustion of the leave. The amount of additional accrual is prorated based on FTE, and this is separate from the employee's leave banks. The employee is only eligible for this extended leave plan if the employee's donations to the extended leave program continue for the annual basis.

#### **Payment of Leave**

The pay for the hours withdrawn from the extended leave program will be based on the employee's regular rate of pay. Existing payroll deductions including benefit premiums will continue to occur.

#### **Appeals**

The initial determination on whether a condition qualifies as extended, as defined, is made by the committee and noted in this plan. Should an employee choose to appeal, the request is submitted in writing to the Human Resources Department and a meeting with committee members will be scheduled. All committee decisions are final.

#### **Termination of Leave**

Extended leave terminates when;

- Employee is separated from the District for any reason;
- Condition no longer qualifies as extended; or
- Maximum extended leave benefits have been exhausted.

If all maximum leave benefits have been exhausted and the employee is unable to return to work; employees should contact their immediate supervisor and Human Resources to discuss other options, such as leave without pay.

#### **Return to Work**

Employees on continuous or intermittent extended leave for incapacity, illness/ injury, must be cleared by their healthcare provider to return to work, with or without restrictions, and must provide sustaining documentation to Human Resources. If returning with limitations, the employee must have the healthcare provider outline the requested accommodations for the

district to review and make reasonable accommodations based on current ADA regulations and healthcare recommendations.

#### **Family Medical Leave**

All leave received by an employee under this plan will count toward the employee's Family Medical Leave (FML) entitlement (if applicable) if the employee is eligible for FML. If extended leave is denied, an employee may still be eligible for FML (A). An employee enrolled in the third party short-term and long-term disability program(s) should contact LAPS Benefits Department for detailed information on the use of the plans. Extended leave plans will only supplement the portion that short-term and long-term disability do not cover.

#### **Administration of the Extended Leave Program**

Extended leave program payments are charged to the District's extended leave bank account and will include an amount sufficient to cover the District's share of the employee's health benefits premiums and other benefits. The employee receiving the donated leave will remain on "regular" status during this period.

Any unused or undistributed hours donated to the extended leave program will remain in the bank and roll over at the end of the fiscal year. Hours will not be returned to donating employees. Human Resources can provide information on the administration and use of the Extended Leave Plan.

#### **Confidentiality**

All information received on the extended leave program applications, healthcare provider statements, and any additional related information is confidential. The sole use of such information is to determine eligibility to the program.
