D. Los Alamos Public Schools (LAPS) Extended Leave Program

The District's leave program allows salary and benefits continuation for eligible staff employees who are experiencing medical conditions and have exhausted their leave. The condition may be for the employee or for an immediate family member as defined below.

Eligibility

Regular staff employees who work (16) sixteen hours or more per week (.4 FTE or greater) are eligible to elect to participate in the program if they:

- Have completed the number of equivalent working days to the assigned contract year of employment at LAPS;
- Have an illness or injury, or a member of their immediate family has an illness or injury, that meets the definition of a medical condition or require maternity/paternity leave beyond use of their leave banks (see definition below);
- Have made the required donation annually for that fiscal year (2 full days; 8-hour equivalency, regardless of contract FTE);
- Have exhausted their leave, in all leave banks.
- Have an illness or injury related to Workers' Compensation benefits; and
- Have no written record of disciplinary action for misuse of leave within the past (12) twelve months.

An immediate family member means an employee's:

- Spouse or domestic partner
- Children (natural, step, adopted, and foster);
- Parents, Grandparents; or
- Grandchild or siblings, but only if the employee is the primary custodian and caregiver.

Only one district employee may use the extended leave program at a time to provide care to the same immediate family member.

Conditions for Leave

- Debilitating illness, impairment, or physical/ mental condition that involves continuing treatment.
- Chronic or long-term requiring high-intensity or high frequency treatment; or
- Terminal illness

Intermittent absences due to extended leave conditions are allowed in (4) four or (8) eight-hour increments, such as in connection with chemotherapy, dialysis, or care for an immediate family member.

Maternity/ Paternity

The birth of a child, or placement of a child with you for adoption or foster care, and to bond with the newborn or newly placed child. Only one district employee may access the extended leave program for maternity/ paternity leave at a time.

Bereavement

Should an employee's bereavement extend past (5) five days for the loss of an immediate family member, as defined above, and the employee has exhausted all leave in their banks, the employee can apply for a maximum of an additional (7) seven days through this program.

Exclusion to the Extended Leave Program

- Elective surgery: Elective surgery is defined as, "surgery the employee chooses to have for a better quality of life but is not a, 'medically required surgery'".
- Cosmetic Surgery

Funding of the Extended Leave Program

The extended leave program is funded by donations from participating members. Annual donations are made the first month of the employee's contract. If an employee is hired mid-year or off cycle and chooses to join the program the (2) two days is deducted; however, the employee is not vested until their full year anniversary of hire. This does not preclude the employee from having the next two (2) deductions on the next contract issuance. Regardless of full-time equivalency (FTE) the employee is required to donate (2) two full days (8- hour equivalence) annually.

Quarterly donations, as outlined annually by Administration, will be solicited, and can be made by members and non-members alike; however, donations made by non-members DO NOT grant them access to the program. Donations to the program are not refunded and are forfeit if the employee separates from the district for ANY reason.

Prior to the end of the fiscal year, Human Resources will notify all staff working .4 FTE or greater that donations will be automatically drawn unless the employee completes the extended leave plan opt-out process. If an employee opts-out of the program, then the employee is not eligible for extended leave for the upcoming contract year. Employees that were previously on contract must wait until the next contract issuance to rejoin the program.

Employees can participate if they have donated, as noted above, and meet all eligibility requirements, as outlined. Employees with less than one year of service can donate to the program benefits until they have met their one-year (1) anniversary hire date.

Requesting Extended Leave

To request benefits, an employee (or individual acting on the employee's behalf) must complete and apply using the Application for Extended Leave and submit this to the Human Resources' Department. Human Resources will in-take the application for initial review and verification. The application must include an estimate of hours extended leave needed, generally not to exceed (3) three months (520) five hundred and twenty hours for full time employees and prorated based on the employees FTE. The district reserves the right to request periodic updates or other medical information as needed.

A committee, from Human Resources (1 Representative), Superintendent's Office (1 Representative), and LAFSE (2 Representatives), will determine the amount of extended leave approved. This committee will inform the employee's immediate supervisor of the employee's request but not the nature of the illness or need.

Maximum Leave Coverage

- Maximum continuous extended leave will be 1,040 hours (130 days), prorated on the employees FTE. Extended leave will terminate at the maximum hours reached.
- Maximum intermittent extended leave will be 520 hours, prorated based on the employees FTE.
- In no case will the combined use of continuous and intermittent leave exceed 1040 hours (130 days).

Exhausted Extended Leave

Employees who have exhausted the maximum allowable extended leave will accrue up to an additional 160 hours towards their bank of available extended leave, per year of active service after exhaustion of the leave. The accrual of additional employees last exhausted the maximum allowable extended leave. The amount of additional accrual is prorated based on FTE, and this is separate from the employee's leave banks. The employee is only eligible for this extended leave plan if the employee's donations to the extended leave program continue for the annual basis.

Payment of Leave

The pay for the hours withdrawn from the extended leave program will be based on the employee's regular rate of pay. Existing payroll deductions including benefit premiums will continue to occur.

Appeals

The initial determination on whether a condition qualifies as extended, as defined, is made by the committee and noted in this plan. Should an employee choose to appeal, the request is submitted in writing to the Human Resources Department and a meeting with committee members will be scheduled. All committee decisions are final.

Termination of Leave

Extended leave terminates when;

- Employee is separated from the District for any reason;
- Condition no longer qualifies as extended; or
- Maximum extended leave benefits have been exhausted.

If all maximum leave benefits have been exhausted and the employee is unable to return to work; employees should contact their immediate supervisor and Human Resources to discuss other options, such as leave without pay.

Return to Work

Employees on continuous or intermittent extended leave for incapacity, illness/ injury, must be cleared by their healthcare provider to return to work, with or without restrictions, and must provide sustaining documentation to Human Resources. If returning with limitations, the employee must have the healthcare provider outline the requested accommodations for the

district to review and make reasonable accommodations based on current ADA regulations and healthcare recommendations.

Family Medical Leave

All leave received by an employee under this plan will count toward the employee's Family Medical Leave (FML) entitlement (if applicable) if the employee is eligible for FML.
