Hello West Rocks!

The 2023-2024 school year is approaching quickly! As we prepare for the first day of school on **August 28**, please reference the recommended supply list below. **Please note that there are changes to previous years, specifically that cell phones will need to be kept in lockers during the school day.**

**Students will be required to use an assigned locker which will be located near their homeroom/advisory.**

***Students will be expected to bring their school issued Verizon Chromebook to and from school each day – they also need to remember to charge the computer each night. As a result of being awarded a grant, these Chromebooks come with a data plan for each student.***
