

## Student/Parent/Guardian Hold Harmless Agreement for Use of District-Owned Equipment

1. I, the Undersigned, understand:
  - a. That district-owned equipment is to be used for school district purposes only.
  - b. Approval from my principal or designee must be obtained before removing district-owned equipment from school district premises through the school check out process.
  - c. I must check the equipment out/in through the District Asset Manager system with the appropriate building staff.
  - d. If the equipment is damaged, lost or stolen while in my possession, a fine will be placed on my student account for the cost of replacing or repairing the equipment, following the terms and conditions of the Bethel School District iPad Coverage Program.
  - e. School personnel must be notified if the property is lost, stolen, or damaged. A staff member will complete a Technology Service Request (TSR) to inform the technology department.
  
2. At any time upon the District's request, and in any event immediately upon separation with the District, I will return all district-owned equipment, including the accessories given for the devices/equipment, and the aggregate amount of any charges for the cost of repairing or replacing the equipment.

**I AGREE THAT ANY OUTSTANDING INVOICES MAY BE CHARGED IN THE FORM OF A FINE TO ME OR MY PARENT/GUARDIAN BY THE DISTRICT.**
