SENIORS

Senior Advice

Rachel—Always try your hardest and in the end you put your mind to something, you can achieve anything. There is no "I" in team, so work together.

Aavrie—Row the boat and keep rowing; it means work together.

Tara—Come together with your team because the closer you are the better you will play on the court. Also, have fun because after high school, you won't have your team anymore.

Shiann—Work together as a team. The closer you are as a team, the better you play on the court!

"The season went well considering they didn't have any seniors on the team this year. The youngest girls had to really step up and compete at higher level. The team needs to keep working during the off season to improve their skills, which will benefit them as well as the team. We fully expect to be in the top three at state next season."
