

Dear fellow parents,

Welcome to the 2023/2024 school year from your Middle School Parents' Association (MSPA)!

The MSPA's mission is to bring parents together to enrich our community and to support and strengthen our school by:

- Organizing parent volunteers
- Planning events for the students
- Providing a fun environment for the students and their families

We have several exciting events planned that will provide an opportunity to gather, have fun, and connect as a community.
