*does not include gap year students who plan to pursue 4-year college

(% pursuing post-secondary education)

Trends & Policy Shifts

- Continued emphasis on underrepresented groups & SCOTUS decision

- Surges in applications → more defers and waitlists at competitive institutions

- Role of Early Decision

- Test-optional is here to stay (for the most part)

- Demonstrated interest

- Alternate entry pathways

- Need to create a more balanced college list

*denotes multiple matriculants
