Dr. Frank Alvarez
Superintendent
Rye City School District
411 Theodore Fremd Avenue, Suite 100S
Rye, NY 10580-3899

Dear Dr. Alvarez:

As a result of the Rye City School District (District) being identified for the third consecutive year as having a significant disproportionality based on race and ethnicity in the identification of students with disabilities under State Performance Indicator 9, the New York State Education Department Office of Special Education Quality Assurance conducted a Comprehensive Review for Indicator 9.

As a result of this review, it was determined that the District is in compliance with the regulatory requirements, including the District's policies, procedures and practices used in the classification and placement of students with disabilities. As a result, no further action is required by the District at this time.

You may contact me at the above number if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Margaret Schepp".
