**SUBJECT:** Additional Funding for Free & Reduced Meals

Dear GPS Families,

The Connecticut State Department of Education has advised us that breakfast will be available for all students during the 2023-2024 school year free of charge.

You are encouraged to visit the [Food Services webpage](#) to check if your children are eligible to receive free or reduced lunch. New for this school year, those families who qualify for “reduced” meal pricing will now be provided school lunch meals at no charge.

**Please complete the [2023-24 Application for Free and Reduced-price School Meals and addendum](#) forms found on the Food Services webpage and submit them to your school’s main office.**

Should you have any questions or concerns regarding Free School Meal applications, please do not hesitate to contact your child’s school administration office.

Sincerely,

Dave Nanarello
