## Primary Years Programme Academic Honesty Policy 2023-2024

Hammond Eastside Magnet School, Primary Years Programme believes academic honesty requires teachers and students to be principled as teachers work together and independently through the inquiry cycle and share knowledge with others.

Teachers, students and parents of Hammond Eastside Magnet, Primary Years Programme all need to be knowledgeable about academic dishonesty, that it is a serious violation of the expectations set in our school community. This can include but is not limited to the following:

- **Plagiarism**- the practice of taking someone else's work or ideas and passing them off as one's own.
- **Collusion**- Supporting wrongdoing by another student, such as allowing one's work to be copied or submitted for a grade.
- **Duplication of work**- The presentation of the same work for different assignments.
- **Misconduct**- Refusing to follow directions, taking test materials from a classroom, improper use of electronic devices, etc.

### Examples of academic dishonesty:

- Falsifying records
- Falsifying data
- Sharing passwords, using unauthorized material
- Disclosing information about assessments
- Altering grades
- Phony citation
- Impersonating a person
- Misconduct during testing times

It is the understanding of all school personnel that when a student puts his or her name on any assignment, they are submitting it as their own. Students should cite sources when applicable when submitting assignments.

### Consequences of Academic Dishonesty

Academic Dishonesty will result in failure for submitted assignment and/or a major referral based on occurrences. Student(s) involved will be given an opportunity to make-up the assignment, making corrections that reflect their understanding of Hammond Eastside Magnet's Academic Dishonesty Policy. Parents of those students involved will be contacted by the teacher and/or administrative team.
