

REPORT A STUDENT ABSENCE

BREAKFAST/LUNCH MENU

Principal's Message

Welcome to a new school year! I hope you had a relaxing and wonderful summer.

As in the past, morning drop-off for students is 7:50 a.m. - 8:15 a.m. As always, we will have plenty of staff outside to greet students as they arrive. Because it is often hard to separate young children from their parents, we ask that parents pull up out front, stay in line, and not linger once their child is safely with KES staff. I know it can be hard for parents, but keep in mind that if the children are crying, it stops as soon as they are inside! Dismissal for children begins at 2:45 p.m. Please pull into the pick up line and be patient as the line will be long, especially early in the year.

I look forward to seeing everyone back here the week of the 28th. Please enjoy the remaining days of school vacation!

-Principal Ryan Quinn
