Principal's Message

Welcome back everyone! It was great to see all of our new and returning students this week as we begin the 23-24 school year. We have a wonderful incoming 9th grade class, and we had an amazing group of upperclassmen C-Squad members welcome them to Centaurus this week. Seeing all students return yesterday with lots of energy and school spirit has set the stage for an awesome year.

As we begin the year, know that we want to partner with you in support of your student's success at Centaurus. Please check in with them to see how the first few days of school have gone and make sure that they are aware of the expectations for their individual classes. If they have any questions about their classes, please have them reach out to their teachers directly, as they are best able to support students in their classes. Now is the time to set up good time management and study habits, and times spent on this now will help students throughout the year.

Again, welcome back to an exciting year. I look forward to seeing all of you at our Centaurus events this year.

Daniel Ryan
Principal

New student Wellness Center

All students at Centaurus High School now have access to a Wellness Center – a caring and supportive space dedicated to promoting your child's mental well-being. The Wellness Center is staffed by a full-time Mental Health Advocate and has the support of counseling team and administration. We encourage you to visit the Wellness Center during back to school night and encourage your child(ren) to visit. Thank you to the BVSD foundation, Impact on Education, for providing the funding to open our Wellness Center!

2023/2024 Free breakfast and lunch - reduced fees

Thanks to Colorado voters, breakfast and lunch will be free for students this year at your school! Students can eat a free breakfast and a free lunch, complete with unlimited salad bar, every day! Students will continue to enter their student ID, and optional second entrees can be purchased when available using money in each student's meal account. Even though lunch is free this year, it is still very important that you fill

out the free and reduced meal application, as it impacts funding for your school. Please find the link to that application via Infinite Campus [here](#). At BVSD, we believe in nutritious, locally-sourced ingredients and tasty meals, and we're thrilled to be able to offer free meals to all students. We're a leader in scratch-cooked school food, and we look forward to serving more students than ever next year!
