# MUSTANG FOOTBALL

We're eagerly anticipating a packed stadium filled with fans. However, there are important details to be aware of before you arrive.

**\*\*Due to ongoing construction at FHS, parking availability for home football games will be significantly restricted. If you don't possess a parking pass, we strongly recommend utilizing the Shuttle service!\*\***

Starting Friday, August 25, specific parking arrangements will be in effect solely on game days for FHS home football games.

Designated "No Parking Zones" will be enforced at the junction of Wilderness Pines Drive and Falling Leaf Drive. Additionally, parking won't be permitted on the south side of West Castlewood Drive near Greenbriar Drive. Please be aware that vehicles parked on Greenbriar may be subject to towing.

**Free Shuttle Service!** FISD offers a complimentary shuttle bus service for all home football games. The North Shuttle Parking lot is located between Westwood and Bales Intermediate, while the South Shuttle Parking is available at the Junior High School-Centennial parking lot. This service will run from 5:30 pm until one hour after the game concludes.
