ATTENDANCE POLICIES & PROCEDURES

Every Day Counts! Students begin school at 8:15 AM.

Every Thursday is early release. TK-3 release time is 1:01 PM and 4-5 release time is 1:10 PM

The law requires students to attend school on time every day. **Absences shall be classified as follows:**

- **Excused absence** - absence for proper causes are listed in the State Education Code for: illness, medical, dental, or optometry appointments, funeral services (immediate family, extending to grandparents), quarantine (under direction of County of City Health officer).
- **Unexcused absence** - absence that occurs with the knowledge and approval of parents or guardian, but for reasons that, though not acceptable under state law, are not considered truancy.
- Students who receive **5 or more unexcused absences** in a school year will have a parent meeting with the principal and a SART Contract will be given.
- Students who are habitually absent or tardy may receive a referral to the District's Student Attendance Review Board (SARB).
- Students with regular attendance have great opportunities for learning and success. Students are also recognized for perfect attendance throughout the school year.

Returning to School after an Absence

- Please call the school office when your son/daughter will not be in attendance.
- Students are required to bring a note from parents the day they return to school after an absence. The note must include:
 - The date of absence,
 - Specific reason for absence,
 - Name of the student, and
signature by parent or guardian.
- In case of extended illness for three (3) days or more, assignments may be requested through the school office. **Please allow one (1) day for materials to be collected from the teacher.**

Leaving School Before Dismissal Time

We highly discourage checking students out early from school. However, in the event you need to pick your student early please report to the front office:

- Permission must be obtained from the office before a student leaves the campus for any reason, while school is in session.
- Students becoming ill during the day must see the nurse or office personnel to obtain permission to go home.
- If a student needs to leave school at any time during the regular school day an authorized adult must come to the school office and sign the "Student Checkout Log" before the student is dismissed.
- Students are only released to parties indicated on the emergency cards, parties need to be 18 years or older.
- Patterns of students leaving school early on a consistently basis may be addressed and can also result in a SART contract.

Tardiness To School

If student arrives between 8:16-8:20 they should proceed to their class and their teacher will

mark student tardy. After 8:20, the student must report to the office for a tardy slip.

Tardy notes for over-sleeping, automobile breakdown, walking younger siblings to school etc., are **not excused**. 3 tardies =1 absence. A parent conference may be scheduled if a student has excessive tardies.

Any student who is excessively tardy to school may be regarded as habitually truant, a SART contract will have to take place.

School staff will call home if students frequently miss school or arrive late. Student Attendance Review Team (SART) meetings may be held for serious attendance concerns. In the event a absenteeism continues after a SART contract has been signed , the student and parents may be referred for School Attendance Review Board (SARB).

We love to celebrate excellent attendance!

We recognize our students and our classes who have excellent school attendance. Students can earn a variety of incentives for excellent attendance, including a special party, having lunch with the principal, and earning special treats. We recognize our students and classrooms every day. We encourage regular attendance because it is essential for learning and student success.
