Car Visor Signs

For the safety of our students, please remember to have your visor sign that you received earlier this year visible when you pick up your children in the car line at the end of the day. It ensures that they are getting picked up by the correct person. It also helps keep the flow of traffic moving smoothly. Thank you for your help with this!

Volunteering at Deer Creek!

- Sign in and out at the front office

Middle School Success Over Stress

The Middle School Success Over Stress project is a research study conducted at the University of Oregon designed to support children and families across the state to reduce mental health problems. Participants will have access to a parenting App as well as individual, telehealth support from a family consultant. Services are offered in both Spanish and English. The goal of this project is to provide parents and caregivers with tools to help their middle school student manage the social stress of returning to in-person learning, get good grades

and improve behavior at home and at school. Families can earn up to \$350 for participating in this research study.

See the attached flyers (in English and Spanish) for more information and feel free to share with those who may be interested or could benefit from the support. You can also visit the website to learn more: www.middleschoolstudy.org or call our recruitment line at: 971-219-2025
