School Information

Volunteering at Deer Creek!

We will begin welcoming volunteers to Deer Creek on November 15th! All volunteers must complete the following steps to volunteer:

1. Complete a background check at: www.helpcounter.net/ttsd. (This is done every three years.)
2. Provide COVID-19 vaccination documentation using the following link: [TTSD Volunteer Vaccination Documentation](#)

When volunteering at the school, you'll need to do the following:

- Wear a mask at all times
- Maintain 3-6 feet of social distancing with students and staff
- Sign in and out at the front office
- Wear a school volunteer badge
- Frequently wash your hands or use hand sanitizer
- Maintain the confidentiality of all students

Your child's teacher will begin sending more information next week about signing up to volunteer in the classroom.

Student Drop-off and Pick-Up Reminders

With so many families choosing to drive their children to and from school this year, it's critical that we keep our systems running efficiently.

Drop-Off:

- Enter the parking lot and drop off students starting at 7:45am
- Keep drop off quick. Have students begin getting ready to exit the car when you enter the parking lot.

Pick-Up:

Kinder & 1st graders exit the building at 2:15pm while 2nd-5th graders exit at 2:20pm.

- Do not enter the parking lot before 2:10pm. Cars are starting to enter the lot before this time and causing a significant back-up onto 131st and other connecting streets.
- If you're coming from Beef Bend, please keep your car as far to the right (close to the sidewalk) as possible.
- If you're coming from Fisher Rd, please keep your car as far to the left (close to the island) as possible.

If you get to the school before 2:10pm, you'll be creating a line that won't begin moving until 2:15/2:20 which creates a back-up. If you get into a line that's starting to move, it keeps the flow of traffic going and lessens the gridlock onto city streets. Thank you for your cooperation!

Covid-19 Vaccination for Ages 5-11

Our district is looking for feedback from our families as we prepare for the COVID-19 vaccination for ages 5 - 11. **Please complete [this survey](#).** By participating in our survey it will help us to best prepare to bring vaccine availability to TTSD students.

Nuestro distrito está buscando comentarios de nuestras familias mientras nos preparamos para la vacuna COVID-19 para las edades de 5 a 11 años. Por favor complete [esta encuesta](#). Al participar en nuestra encuesta, nos ayudará a prepararnos mejor para llevar la disponibilidad de vacunas a los estudiantes de TTSD.
