Saying Goodbye to Deer Creek

Mrs. Estrada - 1st grade teacher, Mrs. Meeuwsen- 3rd grade teacher, Ms. Stripling - Learning Specialist and Mrs. Sanchez - Learning Specialist Instructional Assistant will be saying goodbye to Deer Creek at the end of this school year. They are moving on to new adventures and will be greatly missed. We wish them all the **very best!!**

Mrs. Meeuwsen wanted to share the following message with her students and families. It has been an amazing 31 years in TTSD, 24 of them at Deer Creek. I have so many memories of happy, hard working students who love learning. I cherish all the relationships I have formed with students and families! I will miss learning from my student's each and every day. The creativity and curiosity you shared was powerful and unforgettable. Keep learning Global Citizens! Thank you! - Mrs. Meeuwsen

Library Books

Last day to check out library books from the school library is May 28th.

All books need to be returned by June 4th.

If you have books still checked out from last year that you can't find and are not sure what to do, email Kathleen Cunningham at kcunnington@ttsd.k12.or.us.

New internet filtering system = LightSpeed

TTSD will be implementing a new internet filter in the coming weeks. This new filter will provide teachers and students with more advanced internet filtering options. Students on their iPads will see a new app ("LightSpeed Agent") when installed on their iPads. We are choosing this time of the year (after some successful testing) to ensure students have the best internet filter before we break for summer. If you have any questions or trouble, please call the IT Help Desk at 503-431-4051.

DEER CREEK PLAY-A-THON!

Our little Bucks did such an amazing job raising money for our new "Downtown" playground! PSO is proud to announce that we have the new playground set on order and are working with the district to get it installed as soon as possible. The Play-A-Thon has also helped boost our savings for Phase 2 of the update: the new poured rubber ground cover, which we hope to install in the next few years. Thank you all so much for your support and hard work. It really paid off!
