Permanent Bus Changes

As of Monday, April 19th, if you need to make any permanent transportation changes that include a bus, please be aware that it could take 3 to 5 days before the transportation

A former Deer Creek student and current TTSD student is also a member on the cc-TDI's Jr. Board. The Jr. Board is hosting an online T-shirt design contest that will become a fundraiser using t-shirt sales to benefit cc-TDI (Children's Cancer Therapy Development Institute). cc-TDI's junior board's goal is to work together to bring awareness to our communities, find ways to raise funds for cc-TDI's research, and be an active part in making childhood cancer universally survivable. The fundraiser starts April 1st.

Details:

- Students 9-18 years old can design their own T-shirt online.
- Students can use icons or draw a custom design, take a picture, and submit it to a form.
- The Jr. Board and Development Committee at cc-TDI will select the top three entries in each of these categories, elementary school, middle school, and high school, and showcase them online for voting. We will then announce the winner who will have their design printed on merchandise and sold.
- The top 3 designs will each get amazon gift cards as prizes.

Cuties for a Cure

Love is Everywhere. Here at Deer Creek we are so proud of this message and the little girl who created it. One of our very own Deer Creek alumni has set up a jewelry business with proceeds going to children's cancer research. This student was a close personal friend of Holly's and has continued to find ways to

help fight childhood cancer to honor her friend. For the month of April she has decided that 25% of the profits from her collection will go to the Holly Bruno Sunshine Fund and 75% will go to childhood cancer research at cc-tdi.org. Please join us in supporting our own community as well as cc-TDI in their fight to make childhood cancer universally survivable. Here is @cuties4cure's shopping link:

Thank you to @cuties4cure for all your hard work. To look her up on Instagram please check out: @cutiesforacurejewelry
