Deer Creek PE

Dear Deer Creek Families,

This year I am teaching at both Deer Creek and Durham, therefore your student(s) will have PE for two weeks and then they will have music for two weeks.

During your two weeks of PE there will be a new required assignment in Canvas. Simply go to the PE course card and click on it and you will see my Homepage. To access the required lesson for the week click on the hula hoop "Lesson" button. You will see the module posted with the new assignment. Students must move through the module in sequential order (students cannot skip pages). All assignments are due on Thursday of the week that they are assigned.

For those that would like to explore more PE activities, I will post those on Tuesday during your two weeks of PE. To participate in these optional PE activities simply click on the "More PE" button.

It is my goal to have a FUN PE program that will encourage students to develop their physical education skills. Not only is physical education important for health, but it is also important for improving academic performance, emotional well being, and achieving overall success.

The biggest influence children have in regards to their health is you! Please encourage your student(s) by spending time in activity with them so that you experience the benefits of leading an active lifestyle together.

I appreciate the opportunity to teach your student(s). Please feel free to contact me with any questions or concerns via email (ssmith@ttsd.k12.or.us).

WE CAN DO HARD THINGS!
