## Art in the Burbs - October 9-18

Rather than cancelling Art in the Burbs, we want to offer an alternative that keeps everyone safe. **Art in the Burbs**, an event by The Foundation for Tigard Tualatin Schools, will be an **online show this year**. While our show might be a little different this year, we are committed to raising money for our art grant program in the district and supporting our community of vendors. **To attend our online show, check out the [artists](#) and [food vendors](#) for links to their shops.** The artist list can be sorted by category so you can easily browse your areas of interest.

**To shop, click through the links on the artists page to visit their website and make a purchase directly there.** With a recent shift to online shopping some vendors may be selling their art/goods through their social media accounts. All the artists are donating 20% of their sales to The Foundation for Tigard Tualatin Schools Art in the Burbs grant program. To ensure your order is included in their sales, please make sure to mention Art in the Burbs to our vendors. **If you are not quite sure how to attend an online art show, check out some of these [tips](#) to make the most of the show.** Show dates are October 9-October 18. Shop online at [artintheburb.org](http://artintheburb.org).
