## ParentVue

Dear Deer Creek community,

We are expanding our ParentVue online tool to elementary families! Your ParentVue account will provide you with secure access to your child's attendance, report cards, teacher communication and school information. Additionally, you will be able to **update** your phone number(s) and email address(es) online for your parent account. We hope this will allow the school to use the email and phone numbers you prefer, for school-related communication as well as the best way to contact you during the day, if needed. Please look for an email late this week from Tigard-Tualatin School District that will include an activation link and instructions to set up your account and download the ParentVue App.

Estimada comunidad de Deer Creek,

Nuestra aplicación ParentVue ya se encuentra disponible para todas las familias de primaria! Su cuenta en ParentVue le proporcionará un acceso seguro a la historia de asistencia de su hijo(a), boletas de calificaciones, comunicaciones con los maestros y la información de la escuela. Además podrá actualizar sus datos personales como número de teléfono o celular y dirección de correo electrónico. El objetivo es permitir a la escuela mantener una

comunicación eficiente con todas las familias con respecto a información importante de nuestros estudiantes y de eventos en la escuela. Se le enviara un correo electrónico al final de esta semana correspondiendo al Distrito Escolar de Tigard-Tualatin, incluirá un enlace de activación e instrucciones para configurar su cuenta y descargar la aplicación ParentVue.

I drop off my kids completely confident that they will be well taken care of. My kids love going to try all sorts of new things and are tired and happy at the end of each day. I love, too, that the counselors always fill me in on how the day went. Cannot say enough good things about this camp, we absolutely love it. -- Parent
