EXPERIENCE THE POWER OF AUTHENTIC OUTDOOR ADVENTURE
Avid 4 Adventure is always our favorite summer camp. The camp counselors are the most fun, responsible, and clearly well-trained on how to work with and get the best out of kids. I drop off my kids completely confident that they will be well taken care of. My kids love going to try all sorts of new things and are tired and happy at the end of each day. I love, too, that the counselors always fill me in on how the day went. Cannot say enough good things about this camp, we absolutely love it. - Parent
