Tigard High Theatre will be performing Winnie the Pooh next month

Winnie-the-Pooh is Christopher Robin's fat little "bear of very little brain" who would like to drift peacefully through life, humming tunes and stopping frequently to eat "a little something."

However, he finds himself involved in all sorts of frantic adventures, assisted by such friends as the dismal Eeyore, Piglet

and Rabbit, with his countless relations. Pooh's intentions are always the best, but his passion for honey and condensed milk

keeps getting him into trouble. When friend Piglet gets roped into

Kanga's household and Kanga starts bathing him (with soap!) and forcing down spoonfuls of

Strengthening Medicine, Pooh wants to fly to the rescue, but he's had so many snacks he gets stuck in the door. A.A. Milne's wit and special understanding of young people make this one of

the most successful plays available.
