Public Complaint Procedure

A parent or guardian of a student attending a school in the district, a person who resides in the district, a staff member, or a student who wishes to express a concern should discuss the matter with the school employee involved.

The Administrator/Supervisor or Designee: Step One

If the individual is unable to resolve a problem or concern with the employee, the individual may file a written, signed complaint with the administrator/supervisor or designee. The administrator/supervisor or designee shall evaluate the complaint and render a **decision within 15 working days** after receiving the complaint.

The Director of Elementary, Middle or High School Programs: Step Two

If the individual is unable to resolve a problem or concern with the administrator/supervisor or designee, within five working days from receiving the written response from the administrator/supervisor or designee, the complainant may file a written, signed complaint with the director in charge of the related program. The director receiving the complaint shall evaluate the complaint and render a decision within 15 working days after receiving the complaint.

The Superintendent or Designee: Step Three

If Step 2 does not resolve the complaint, within 10 working days of the written response from the director, the complainant may pursue the action by filing a signed, written complaint with the superintendent or designee clearly stating the nature of the complaint and a suggested remedy. (A form is available, but is not required.)

The superintendent or designee shall investigate the complaint, confer with the complainant and the parties involved and prepare a report with findings and conclusion and provide the report in writing or in an electronic form to the complainant within 10 working days after receiving the written complaint.

The Board: Step Four

If the complainant is dissatisfied with the superintendent's or designee's findings and conclusion, the complainant may appeal the decision to the Board within five working days of receiving the superintendent's decision. The Board may hold a hearing to review the findings and conclusion of the superintendent, to hear the complaint and to hear and evaluate any other evidence as it deems appropriate. All parties involved, including the school administration, may be asked to attend such hearing for the purposes of making further explanations and clarifying the issues.

If the Board chooses not to hear the complaint, the superintendent's decision is final.

The Board may hold the hearing in executive session if the subject matter qualifies under Oregon law.

The complainant shall be informed in writing or in electronic form of the Board's decision within 20 working days from the hearing of the appeal by the Board. The Board's decision will address each allegation in the complaint and contain reasons for the district's decision. The Board's decision is final.

The complaint procedure set out above will not be longer than 90 days from the filing date of the original complaint with the administrator/supervisor or designee.¹

The final decision for a complaint processed under this administrative regulation that alleges a violation of OAR Chapter 581, Division 22 (Standards), ORS 339.285 to 339.303 or OAR 581-021-0550 to 581-021-0570 (Restraint and Seclusion) or ORS 659.852 (Retaliation), will be issued in writing or electronic form.
