

**Tigard-Tualatin School District 23J
Resolution 1718-25**

Appropriation Transfer for the 2017-18 General Fund

- Whereas,** ORS 294.450 allows for the transfer of appropriations within a fund during a fiscal year; and
- Whereas,** the District is required to provide meals for all students regardless of their ability to pay and federal law does not allow the Food Service Fund to absorb bad debt; and
- Whereas,** the total value of meals provided to students without payment by the students was \$44,274.24; and
- Whereas,** schools are allowed to carry over savings in discretionary budgets for larger purchases or one-time needs and the potential savings is greater than estimated in the original budget by \$60,000; and
- Whereas,** funds totaling \$46,298 were appropriated to schools for the Superintendent's The Arts program and there was not sufficient time to plan for school needs in the current fiscal year and the funds will be allowed for one-time purchases through school savings accounts;
- Now Therefore
Be It Resolved,** \$106,298 is transferred from Instruction, \$44,300 is transferred from Enterprise, and Community Services for a total of \$150,598 transferred to Other Uses for transfers to other funds.

Duly passed this 25th day of June, 2018 at the Board Meeting of the Board of Directors of Tigard-Tualatin School District 23J.
