Expense Reimbursements

District employees who incur expenses in carrying out their authorized duties will be reimbursed upon submission of a properly completed and approved voucher and receipts as required by the business office.

Such expenses may be incurred and approved in line with budgetary allocations for specific types of expenses.

Expenses for travel will be reimbursed when the travel has the advance authorization of the superintendent or his designee.

Lodging, meal, and mileage reimbursement rates, unless in a collective bargaining agreement or individual employment contract, will be set by the Board at its annual organizational meeting in July. Reimbursement for mileage will be based on the Internal Revenue Service rate at the time the expense is incurred.

Persons who travel at district expense will exercise the same economy as a prudent person traveling on personal business and will differentiate between business expenditures and those for personal convenience.

The superintendent shall establish administrative regulations to implement this policy. Regulations will include provisions for the use of private and rental vehicles, insurance coverage, expense reimbursement and accounting procedures.
