

I

work

hard

in

school.

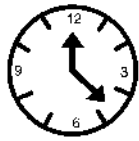

I

am getting

smarter

all

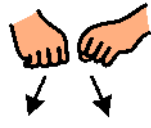

the

time.

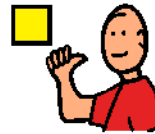

I

try

to do

my

best

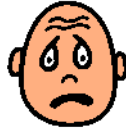

work.

Sometimes

I'm

afraid

that it will be too

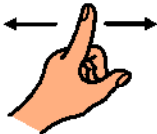

hard

, so

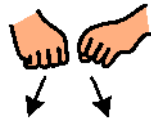

I

just

don't

even

try.

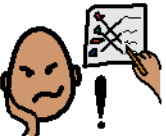

I

know

that if something might be

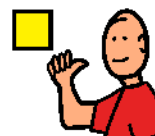

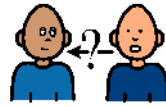

hard,

I

can always ask for help.

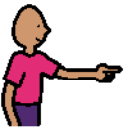

My

teachers

are

there

to help

me

when

things are

hard.

The most

important

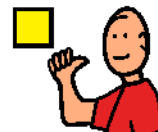

thing is that

I

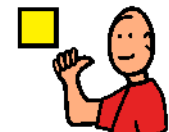

try

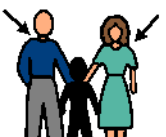

my

best.

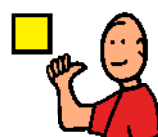

My

parents

and

my

teachers

might

say,

if

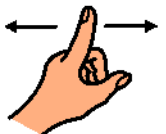

at

first

I

don't

succeed,

try

try

again!
