

Field Trips

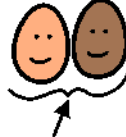

Sometimes at school, we go on field trips. We all

get on the bus and it takes us somewhere fun like the

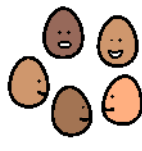

zoo or a nature park. It's important to follow the rules

on a field trip! Today, we are going to

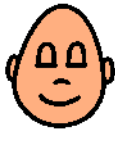

1

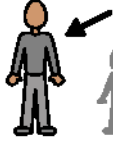

1. Stay with the group!

2

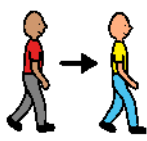

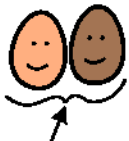

2. Safe hands and feet!

3

3. Listen to adults! We will all have fun if

we follow the rules!
