

 In school, there are a lot of kids.  We all have to

 take turns at things. At lunch,  we  take turns

 going through the lunch line.  We  sit at our

 tables and  we  take turns waiting to leave.  If I'm

 done eating,  I  have to  wait at my  table

 until  a teacher  tells  me  I can get  up.

 I  will try hard to  stay in my  seat at

 lunch.
