

Learning

to

Wait

My

teacher

has

lots

of

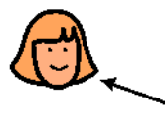

students

to

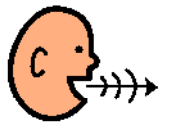

help.

When

she

is

talking

to another

student

or an

adult

and

I

want

to

say

something,

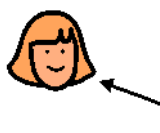

It's important

to

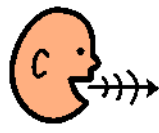

wait

until

she's

done

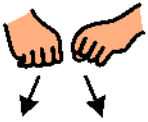

talking.

I

will

try

to

stand

a

few

feet

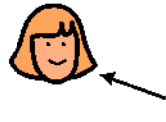

away

and

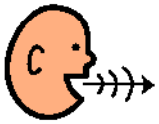

Wait

until

she's

done

talking.

Then

I

can

say,

excuse

me.

Or

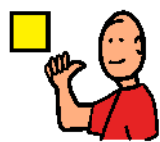

I

will

stay

in

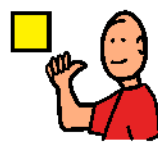

my

seat

and

raise

my

hand

and

wait

for her.

She

will

be

so

proud

of

me

when

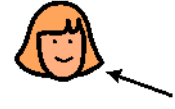

I

wait

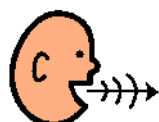

until

she's

done

talking.
