- 2) **Physical Distancing:** CRHS will continue to be “Mask Optional” for the 2023-2024 school year unless masking requirements/recommendations are put in place by the NJ Department of Education, Health Department, or Governor’s Office.
- 3) **Handwashing and Respiratory Etiquette:** Effective handwashing is encouraged throughout our school for students and staff. Alcohol-based hand sanitizer has been made available throughout the building.

- 6) **Diagnostic and Screening Testing:** All testing is done by outside agencies. We will continue this practice and procedure during the 2023-2024 school year.
- 7) **Efforts to Provide Vaccinations:** Cumberland Regional posts local vaccination sites on our district website.
- 8) **Appropriate Accommodations for Children with Disabilities with Respect to Health and Safety:** Accommodations will be provided in alignment with students' IEP's or 504 Plans.
