Mission

We prepare boys for success in college and beyond, using as our foundation a classical Latin education, the positive influence of brotherhood, and rich relationships. We are a community that values and cultivates critical thinking, personal responsibility, emotional intelligence, and character development.

Vision

Boys' Latin of Philadelphia is a collaborative community of motivated students, supportive families, and dedicated educators. The school serves as a national college-preparatory model for educating boys by nurturing personal responsibility, emotional intelligence, and character development. Summer Reading

This is a reminder that all learners had a summer reading assignment this summer. Please review the attached flier for all details. Due to the delay in some families obtaining the list, the assignment will be due on October 1st.

*9th graders completed an alternate assignment during Freshman Academy.

Student Laptops & Tech Support

Any learner needing tech support, or a laptop, must email support@boyslatin.org so that our IT can take the necessary steps to ensure that all learners have an operating laptop at the beginning of the year.

Front Office Support

If you need to update any information or have any questions for our Administrative Assistant, Mrs. Cina Girard, please email frontofficechs@boyslatin.org so that we can effectively address your questions. If you have further concerns, you may email me directly at euthmanolukokun@boyslatin.org

Gently Used Uniform Pieces

In collaboration with the Extended Family Network (EFN), we are seeking gently used uniform pieces. The pieces will be utilized to support learners and families that may need financial support. If you have any gently used pieces, we encourage you to bring them in so that we may safely clean and distribute them to learners in need. We appreciate your support in aiding our school community!

We will continue to share more information in the coming weeks to ensure you are all ready for a dynamic school start! If you have any questions, please don't hesitate to contact the school at 215.387.5149. We look forward to seeing all of our Young Warriors during their respective orientation day!
