

The Town's Environmental and Sustainability Task Force is looking to raise funds for a **Food Waste Diversion Initiative** with a match grant from

Suffield's Environmental and Sustainability Task Force ("Sustainable Suffield") is launching a pilot Food Waste Diversion Initiative dedicated to keeping food waste out of the landfill. In order to qualify for a \$9,000 grant for this project from Sustainable CT, we need to raise \$6,000 by October 15. We would appreciate your taking the time to read more about our planned initiative and showing your support for the project here:

https://www.patronicity.com/project/suffield_food_waste_diversion_initiative#!/

Thank you for your consideration.
