Dear Kindergarten Families,

Welcome to the Horace Mann Family!! Our kindergarten teachers and school community look forward to helping your child grow and learn academically, socially and emotionally. We look forward to meeting you and your child at the upcoming kindergarten screening and orientation. Kindergarten screening allows us to begin to understand your child's strengths, needs and personality. The Kindergarten Readiness Assessment will help us learn more about your child in the areas of literacy, math, fine motor, gross motor and adaptation to school skills. When you arrive at your child's screening, please enter the parking lot on Webb Rd. and come to the door marked Main Office.

Kindergarten students will have an assigned one-hour time to attend on Friday, August 25, Monday, August 28 or Tuesday, August 29. Each kindergarten student and his/her parent(s) will come to their school on the date and time assigned for the student to complete a series of data collection activities. These activities include the Kindergarten Readiness Assessment, Early Math Skill Assessment, Early Writing Assessment, and some basic physical screenings mandated by law. This will allow less time to be set aside for these activities once the students are in their classroom routines.

Upcoming Events:

Kindergarten meet your teacher & curriculum night as well as supply drop off - **Tuesday, August 29, 5:30-6:30 pm.** Your child's classroom assignment will be posted on the main office doors after 3:00 on that day.

1st Day of Kindergarten- Wednesday, August 30.

Please join me in welcoming the following new teachers to Horace Mann!
