# Church Street School Rules and WPCSD Code of Conduct

The WPCSD Code of Conduct is an important document to review in order to ensure that all students are contributing to a positive learning and overall school environment. Please take the time to review the Code of Conduct with your child to ensure that the expectations are clear at the beginning of the school year:

<https://www.whiteplainspublicschools.org/about/policies-and-procedures/code-of-conduct>.

A hard copy brochure was included in the summer mailing for your review.

At Church Street School students learn to follow three golden rules:

Students learn these rules by practicing and seeing them in action each and every day. By following these three rules, we ensure that Church Street School is a safe and positive learning environment for all. We ask that you please help to reinforce these rules by practicing them outside of school as well. Our hope is that the learning in school is transferred to their everyday lives to become positive contributing members of society.

## Church Street School Promise

At Church Street School we are helping to instill in students the idea of effective effort, always trying their very best. Every morning at announcements we all recite the Church Street School promise to get our school day started.

**I promise to do my very best today;  
to be kind, safe and responsible.  
I know if I work hard, I will succeed!  
I am a Church Street School Champion!**

# Home/School Communication

## Parent Communication

Communication between home and school is an important element in determining a student's success. You are encouraged to contact the school anytime you have a question or a problem that involves your child. A line of communication has been established for your convenience.

**To ask a question or share a concern:**

- Contact the teacher first
- Contact the principal
- Contact a central office administrator
- Contact the Superintendent

If you call your child's teacher during instructional time, a message will be taken, and the classroom teacher will return your call within 24 hours. If you follow the above steps, we believe you will successfully resolve your questions or concerns. Please remember that the teacher is the first step in this process and most concerns can be settled with a conversation or conference.

## School Communication

To ensure that you are informed, announcements will be communicated in the following ways:

### K-12 Alerts

Please make sure you have signed-up for K-12 alerts. K-12 alerts is used to communicate information from our district and school building.

### Remind

Remind will be the primary way we will communicate with families regarding reminders and upcoming events. All families are automatically signed-up. Communication through Remind is via text messages.

### Church Street School Website

Please make sure to visit our Church Street School website for updates under the section **"About Us"** <https://ch.whiteplainspublicschools.org/>

### Parent Newsletter

We will continue to post the weekly newsletter on our school website <https://ch.whiteplainspublicschools.org/about-us/parent-newsletters> and on the PTA eblast.

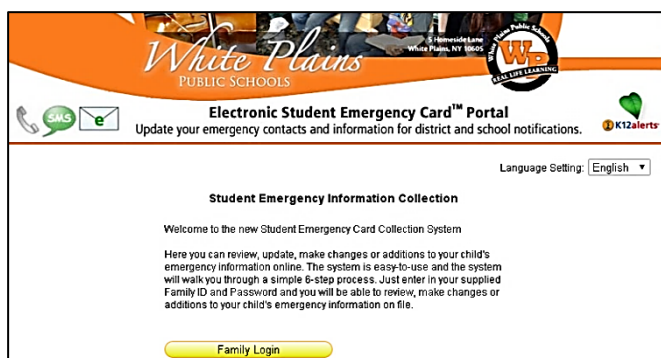

## Emergency Contact Information

In order to ensure communication with you during an emergency we ask that you please update all emergency contact information throughout the school year. Please note that only those individuals you list on the emergency contact list will be able to pick-up your child. We

will not release a child to an individual not listed on the emergency contact list for safety reasons.

**There are two ways that you can update the emergency contact information:**

- 1) **K-12 Alerts:** You can locate this link on the district's website or you can visit the following link, <https://www.k12alerts.com/bluecard/login/whiteplains/>. By signing in on K-12 alerts, you will be able to not only update information but also sign-up for automated alerts from the district regarding school closings or delay openings. You will require your Family ID which was provided to you at registration. Please contact the Family Information Center at (914)422-2038 if you need your Family ID number.

- 2) **Contact Church Street School's main office** at (914)422-2400 and provide your updated contact information if you do not have access to a computer. **Address changes** must be made through Family Information Center (914)422-2038.

## Emergency Information

For bulletins regarding school closings or delayed openings due to inclement weather please visit the district's web site homepage <https://www.whiteplainspublicschools.org/>. The school district will also initiate the text, email and phone call out system via K-12 alerts to inform you of this change. Church Street School will also inform families of school closings or

delays in opening via the Remind App. For delayed openings, buses (including those for private schools and special education) will operate one or more hours later than the usual schedule, as announced.

Parents who are not at home during the day should make provisions for their children to go to the home of a friend or neighbor if inclement weather requires an early closing of school. An alternate emergency phone number should be filed with the school and updated when there are any changes.

# School Hours

Doors open at 7:55AM when supervision is available to ensure the safety of students. We ask that you please drop off your child no earlier than 7:55AM.

7:55 AM Doors Open and breakfast is served as a grab and go. Students walk directly to the classrooms  
8:15 AM Instructional Day Begins (Students are marked tardy after 8:15 AM.)  
11:00 AM-1:45PM Lunch & Recess Periods  
2:55 PM Dismissal

Students must be picked up by 2:55 PM each day. On early dismissal days, students are released at 11:40AM.

## Student Attendance

### DAILY ATTENDANCE

In accordance with the district's attendance policy, please call the school to report your child's absence. If we do not receive a phone call from parents, we will call your home. When your child returns to school, **please send him/her with a note so the absence will be documented as a "legal" absence.** If we do not receive a note, then the absence is considered "illegal."

### TARDINESS

In order to maximize learning time, please ensure that your child arrives to school on time. If a student is tardy (after 8:15 AM), parents must sign students in at the main office. A late pass will be provided to the student and noted in our records.

Please take note regarding our district's three step attendance plan as communicated in the Superintendent's Attendance letter:

- If a school principal, working collaboratively with a classroom teacher, notices your child has a pattern of excessive absences - or late entries or early departures - after a particular period of time, the principal will communicate her/his concern to you in writing. (This will happen even if you have written a note to the teacher explaining the absences, tardies, or early departures.)
- If the pattern continues after you receive the principal's communication, the principal will request a face-to-face meeting with you to discuss the seriousness of the situation.
- If the excessive absences, tardies, or early departures still persist, you will be notified and required to attend a mandatory Central Office Review (COR) meeting that will include the principal of the school. The COR will be used as a last resort when the pattern reaches such a high level that there is real concern about the child's ability to be successful in school.

**Attendance and punctuality contribute to the success of students. A letter will be sent home with the report card when a student has been noted as having excessive absences and latenesses. We ask that you reach out to the school if you need support ensuring that your child attends school daily and on time.**

# Arrival & Dismissal Procedure

## Arrival

Each grade level has a designated door where students will enter. Students will walk directly to the classrooms. Teaching Assistants will always greet students in the morning and ensure they are following arrival procedures. They will help direct students to their classrooms.

**The following are designated entrances for each grade level:**

**K:** Auditorium atrium

**1-3:** Hallway leading to the gymnasium

**4-5:** Back auditorium door

**Grades 4-5 entrance-back auditorium door**

**Grades 1-3 entrance-hallway leading to gymnasium**

**K entrance-auditorium atrium**

Students who eat school breakfast will be directed to pick-up a grab and go breakfast to eat in the classroom. We will ensure that students with allergies receive their alternate breakfast. All students will receive an ID tag to attach to their backpacks so that they can scan at the grab and go breakfast tables. This ID tag also serves as a bus pass for students who qualify. ***Please ensure that students have the ID tag accessible each morning for breakfast.*** If the ID tag is misplaced, please contact our main office for a replacement tag (914) 422-2400.

## Walkers

To reduce the congestion on the ramp, we ask that parents who are walking students to school to please wish their child a great day at the **“Have a great day” stations** on either ends of Church Street. Only students, faculty and staff will be allowed on the ramp to ensure that we are able to support the transition into the building. Students will follow the yellow line that has been marked. Please refrain from using the center island to drop off students, students should use the crosswalks or sidewalk ramp.

**“Have a great day” stations**

Please do not cross in the middle of the bus ramps at any time. We ask that you use the designated crosswalks at either ends of the school and drop off students at the “Have a great day” stations.

## Car Drop-off

Parents dropping off via car, enter the main driveway and proceed to the second stop sign. All students are then to be dropped off onto the sidewalk. No student is to be dropped off from the driver’s side of the car. On the sidewalk, our teaching assistants will supervise students as they walk safely into the building following the yellow line. **Please note that students should not be dropped off in the faculty and staff parking lot.**

Stop at second stop sign for drop-off. Students follow the yellow line into the building.

## Bus Drop-off

Upon the arrival of busses, teaching assistants will welcome students and ensure they are following the yellow line into the school building. Students will be guided to their designated arrival doors. If at any time students forget personal belongings on the school bus, you can contact transportation or our main office for support.

# Dismissal

## Changes in Dismissal

We are responsible for the safety of all students. Therefore, students will not be released from school unless accompanied by a parent/guardian or a note is provided to the main office indicating a student is a walker. Always write a note to the office when you plan to have your child(ren) dismissed before the scheduled end of school time or would like to make a change to your child's dismissal procedure. To ensure that students are dismissed in the correct area, dismissal changes should be communicated to our main office no later than 1:30PM. We will only honor changes to dismissal procedures in written form. If things change during the course of the day you may email Valerie Riddick at [valerieriddick@wpcsd.k12.ny.us](mailto:valerieriddick@wpcsd.k12.ny.us). Please note that that a student should never be pulled off the bus line to be picked-up. All students should be signed-out of the main office. All parents picking-up students early from the main office must show identification. Note that any bus changes should be done directly with transportation.

## Early Dismissal Days

Our office will send home early dismissal day notices home as a reminder with a form for you to complete indicating your child's dismissal plans. If we do not receive a response from parents regarding a child's dismissal plan for the early dismissal day, we will follow the child's normal dismissal plans. **Please note that early dismissal time for Church Street School is 11:40AM. Early dismissal days are as follows:** October 12<sup>th</sup>, October 17<sup>th</sup>, November 22<sup>nd</sup> (Emergency Dismissal-1/2 day dismissal), December 1<sup>st</sup> and 6<sup>th</sup>, March 5<sup>th</sup> and 11<sup>th</sup>, June 25<sup>th</sup> and 26<sup>th</sup>.

Early dismissal days are also noted in the district calendar, click on this link to access the digital district calendar <https://www.whiteplainspublicschools.org/calendar>.

## Car Pick-up

Please follow the road circulating around the parking lot. Traffic overflow will be directed to circle within the faculty and staff parking lot to keep Church Street clear. Additionally, please be very mindful of the pedestrians when entering the school premises and follow all road signs to ensure the safety of all.

The car door pick-up area is located at the rear of the school, next to the faculty and staff parking lot. Please have your car pick-up tag prepared and proceed through the roundabout with caution. We appreciate your patience as we ensure the safe dismissal of all students.

1. We are issuing each family two car pick-up identification cards. If you lose your car card, please write your child's name on a piece of paper large enough to be seen from your dashboard.
2. Please place your car pick-up identification card on your dashboard. This will allow us to quickly identify who you are picking up. If you are sending someone to pick-up your child, you must notify the office before 1:30 PM in writing. In addition, please make sure that the person picking up your child is able to provide your child's name and show ID.
3. Be patient – Stay in line – Do not pass the car in front of you – Remember you must give children time to get into their cars and buckle up safely before the car can pull away.
4. If your child has not arrived at the dismissal area, you will be asked to pull up.
5. We want to remind you that you must remain with your car at all times. There is no parking allowed in the Pick-Up Zone.
6. We will begin loading cars at approximately 2:55PM and 11:40 AM on early dismissal days.

## Walker Pick-Up

All students will be indoors, lined up in the cafeteria according to grade levels. Parents are to walk up the ramp leading to the cafeteria door and form a line. The person picking up children at the walker door must have some form of photo identification readily available. A teaching assistant will greet you, and at this point you will sign your child out. If you plan to send someone else to pick up your child, you must notify the office by 1:30 PM in writing.

Walker Pick-Up Door

Once you have signed out your child(ren), please use the pathway to turn right to ensure there is one direction flow and utilize the sidewalk and designated cross walk to exit school grounds. Parents will not have access to the bus ramp to exit or enter the premises. Please utilize the cross walk near the staff parking lot to enter the premises. We begin dismissing students at 2:55 PM.

Walkers must have written parental permission if they are to walk home on their own. Students walking home on their own are dismissed from the walker door. They will be expected to proceed directly home and follow pedestrian safety rules.

Please note that any and all bus transportation changes must be approved by the transportation office and communicated to the Church Street by that office. We do our best to work with you and the transportation office to ensure students are safe riding the bus. As part of teaching bus safety procedures, students participate in three bus safety drills a year. If you have any concerns regarding bus safety, please reach out to transportation or the Church Street School main office.

## Student Health Services

If a student is hurt or ill all students have access to our school nurse. The nurse will notify parents when necessary. It is important to notify the school nurse of any health concerns so that we ensure your child's needs are met throughout the school day. Faculty and staff are notified of any students with allergies to ensure their safety.

All new entrants, students in grades kindergarten, second, and third must have physical examinations. All physical forms must be turned in by ***the first day of school***.

Anyone involved in a school-related accident should report it immediately to the school nurse.

If a student needs to take medication (including over the counter medication, medicated lotion, cough drops, benzocaine, sunscreen, bug spray, eye drops, etc.) during the school day, the following procedures must be followed:

- A parental/guardian permission form that gives the nurse permission to administer and store the medicine must be signed in the nurse's office.
- Bring a doctor's note with instructions about dosage, times given, etc. to the nurse
- Bring medication in the prescription box with the pharmacy label on the box
- All medications should be handed to the school nurse by a parent/guardian.

Students are assessed throughout the school year to measure their academic progress. Students who require additional academic support participate in small group instruction within the classroom and some students also qualify for pull-out supports. Students pulled by interventionists are supported during the grade level I-Block time to ensure that students are not missing core instruction. During the I-Block time classroom teachers are also engaging students in small group instruction. Parents are notified when a student requires small group supports with an interventionist. The interventionists provide progress reports with report cards and communicate when a student exits or shifts groups. Your parentship is important to ensure the success of students, please communicate with the classroom teacher if you have questions or concerns.

## Enrichment

All students K-5 in the White Plains School District participate in whole group enrichment with Project Lead the Way. Frances Carlo is the Project Lead the Way enrichment teacher for grades K-5. She also teaches whole class visual reasoning for grades 1-3.

Although the District cannot totally guarantee the effectiveness of selected filtering and blocking technology, the district will use such measures that block or filter Internet access to visual depictions that are obscene or otherwise harmful to minors, as defined in the Children's Internet Protection Act. We spend time throughout the school year teaching our students about digital citizenship and ways they can have a positive digital footprint. Please be sure to sign your child's Internet

## Playground

The playground is an ideal place for students to practice sharing, cooperation and developing friendships. Playground supervision is provided at all times. The physical education teachers review playground rules and safety throughout the school year. Please help us keep your children safe by dressing them with the appropriate foot gear and clothing to have a safe and fun outdoor experience.

# School Attire

As per the code of conduct, students are expected to dress appropriately for school and school-sponsored functions. The district believes that to do otherwise takes away from the learning process. It is the responsibility of both parents and students to ensure that the student's dress (including jewelry) is safe and appropriate and does not materially and immediately disrupt or interfere with the educational process.

A student should:

- Not wear items that are vulgar, obscene, libelous, or denigrate others.
- Not wear items that promote and/or endorse the use of alcohol, tobacco, cannabis/marijuana or illegal drugs and/or encourage other illegal or violent activities.

## Birthdays and other Celebrations

We would like for families to consider non-food celebrations as it is safer for our students who have allergies in the classroom. If you will be sending in a treat for a celebration, please make sure to contact the classroom teacher for food restrictions that exist in the classroom. Any items with an ingredient that a student in the classroom is allergic to **will not be allowed** in the classroom. In lieu of cake or cupcakes we ask that parents choose a smart snack to share with the class.

## Library – Media Center

Students will visit the library for read alouds, reading lessons and to check-out books. Visit library website, created by Mr. Talbot, our Library Media Specialist. There are numerous resources on the library website to help you take full advantage of our school library-media center

<https://ch.whiteplainspublicschools.org/library/welcome> . You can check out the school catalog ahead of time if you would like to help your child make a selection before visiting the library each cycle. Additionally, take advantage of the SORA and our other digital

book applications. We encourage you to spend some quality time with your child each day reading a favorite book together to help instill the love for reading.

## Classroom Libraries

Students will have the opportunity to check out books from the classroom library and take them home for independent reading. These books are usually books that students are able to read independently. Students will also have digital independent reading books using the various apps that the teachers will provide access to.

## Class Placements

When considering the placement of students, we take this process very seriously. We discuss each child as a team which includes administration, teachers, interventionists and PPS staff. We consider the best learning environment where each student will thrive. As we consider each student's placement, we also welcome your input by completing a form sent home at the end of the school year before placements take place. We ask for a description of the learning environment that you believe would benefit your child. We would appreciate it if you do not request specific teachers as we cannot honor such requests. The teachers at Church Street School work as a community to provide students with a positive and productive learning environment to help students reach their fullest potential.

## Lost & Found

Our lost and found is located outside of the cafeteria. Once the area becomes filled and lost items are not claimed, all articles are donated to charities. Students are urged to cooperate by turning in articles found and to inquire for articles that have been lost. All personal belongings, athletic equipment, and books should be clearly marked with the child's name for easy identification. *The school is not responsible for lost articles.*

## Money, Valuables, Toys & Pets

The learning atmosphere can be interrupted by electronic devices and toys. Therefore, all cellular phones (please see note about cell phones below), toys, balls, digital cameras, and electronic games are to be left home. Baseball cards or any trading cards should be left at home as we do not want any personal items lost or traded. We understand the attachment that students have to their pets; however, *pets of any kind* are not allowed in classrooms.

## Cell Phone and Smart Watches

The use of cell phones and smart watches during school hours is prohibited. We understand that some students require cell phones for safety reasons before and after school. Students are to keep their cell phone in their backpack, turned off and may retrieve the phone from their backpack after dismissal. Smart watches should be in school mode during school hours or they must be turned off and placed in the student's backpack during school hours. Any phones or smart watches that are out and in use during the school day will be held in the main office to be retrieved at school by a parent or guardian. Students that need to make a phone call home can ask the main office to help facilitate calls.

# Visitors

If you would like to speak to a faculty or staff member, please call ahead of time to make an appointment. All visitors should report to the main entrance of the school where you will be buzzed in to enter. Upon

entering the building, visitors will be asked to present a photo ID, such as a driver's license or passport. The ID will be passed through the scanner, Raptor will check the visitor's information against the national public database of registered sex offenders. Once the check is complete, the visitor will receive a photo ID badge to display during the course of his/her visit. All badges should be returned to the main office upon exiting the building.
