

Gloucester County Vocational/Technical School District Principal Evaluation System

NJ Governor Murphy's Executive Order No. 117 for SY2019-20

Given the interference of the present circumstances with the ability of school district administrators to engage in observation and evaluation of principals, assistant principals, and vice principals, the statutory requirements pursuant to N.J.S.A. 18A:6-121 to conduct administrator evaluations are no longer reasonable or appropriate for certain staff members under the circumstances.
